Henry M. Evans
Principal
North Star Middle School
3598 Whistler Rd
Stoystown, PA 15563

Dear Mr Evans,

As an enthusiastic novice teacher, I was thrilled to find an opening for a Middle School Art Teacher at The North Star Middle School. I am inspired by your modern approach to teaching and how you're making your facility a supportive and safe place for students. I am sure that my initial experience with teaching and my upbeat personality will be an asset to your team of teachers.

In the job posting, I read that you're looking for a candidate with solid qualifications, excitement, and energy toward student learning. While completing my Master's in Middle-Level Teaching at Drexel University, I had the opportunity to do training as an art teacher. It has given me hands-on experience teaching and communicating with young people and testing innovative ways of conveying knowledge. During half-year practice, I prepared 5+ quizzes and evaluated 120+ tests prepared by senior teachers. When supervising students, I offered additional help to those needing deeper explanations of more complex topics and was acknowledged during parent-teacher meetings 5 times a row. I also proved my problem-solving skills when mediating between conflicted students several times. All these experiences have prepared me firmly for a full-time teaching position.

What drives me most about teaching at North Star Middle School is your commitment to educating young people with respect for their individuality. I am also thrilled that you constantly search for original learning methods. That corresponds well with my attitude toward education and collaborating with youth. It also inclines me to think North Star Middle School would be an ideal place to grow.

I value the opportunity to discuss how my teamwork skills and individual approach would be an excellent fit for your school. Can we schedule a meeting or a call in the following days?

Thank you,
Tracie D. Voss
