Elbert, 1986-03-01 For many years Hawaiian Dictionary has been the definitive and authoritative work on the Hawaiian language Now this indispensable reference volume has been enlarged and completely revised More than 3 000 new entries have been added to the Hawaiian English section bringing the total number of entries to almost 30 000 and making it the largest and most complete of any Polynesian dictionary Other additions and changes in this section include a method of showing stress groups to facilitate pronunciation of Hawaiian words with more than three syllables indications of parts of speech current scientific names of plants use of metric measurements additional reconstructions classical origins of loan words and many added cross references to enhance understanding of the numerous nuances of Hawaiian words The English Hawaiian section a complement and supplement to the Hawaiian English section contains more than 12 500 entries and can serve as an index to hidden riches in the Hawaiian language This new edition is more than a dictionary Containing folklore poetry and ethnology it will benefit Hawaiian studies for years to come **Mass Media and National Development** Muhammad Bashir Ali, 2002 *Queer Jewish Strangers in American Popular Culture* Amy Tziporah Karp, 2023-12-19 Queer Jewish Strangers in American Popular Culture Life Between Assimilation and Otherness explores LGBTQIA Jewish American identity in the United States and the queer Jewish stranger figures who live in between incorporation and estrangement Amy Tziporah Karp establishes that despite the near ubiquitous portrayal of Jewish American assimilation as a finished project completed in the wake of World War II in academic disciplines and throughout popular culture many LGBTQIA Jewish figures in contemporary popular culture inhabit stranger positionalities In these stranger spaces characters are forced to either perpetually attempt to assimilate or inhabit this interstitial stranger identity that is often viewed as a nowhere or homeless space Those who pursue assimilating endlessly try to fit in to no avail such as Jenny Schecter from Showtime's popular The L Word who is ultimately

killed off on the show possibly murdered by her LGBTQIA community of friends Karp shows that those who attempt to make a home in a stranger positionality align themselves with other estranged and othered peoples such as characters throughout Sarah Schulman's novels and that this constitutes an ethical stance against the ways in which assimilation often inadvertently supports the workings of violent hegemonies in the United States
