*Reclaiming Biblical Heroines* Monika Czekanowska-Gutman, 2022-11-07 Although recently more studies have been devoted to the representations of Biblical heroines in modern European art less is known about the contribution to the portrayals of Biblical women by modern Jewish artists This monograph explores why and how heroines of the Scripture Judith

Esther and the Shulamite received a particular meaning for acculturated Jewish artists originating from the Polish lands in the last decades of the nineteenth century and the first two decades of the twentieth century It convincingly proves that artworks by Maurycy Gottlieb Wilhem Wachtel Ephraim Moses Lilien Maurycy Minkowski Samuel Hirszenberg and Boris Schatz significantly differed from renderings of contemporary non Jewish artists adopting a Jewish perspective creating complex and psychological portrayals of the heroines inspired by Jewish literature and as well as by historical and cultural phenomena of Jewish revival and the cultural Zionism movement Catalogue New York Free Circulating Library.
