

Mentor Expedition Library Tutorial: Display Control Settings for PCB Library

Mentor's Display Control gives designers and librarians myriad options for influencing how a design is displayed on the screen. The goal of any display scheme is to have any information a designer needs readily visible, so more time is spent working, as opposed to scouring the design for the portion you wish to work on. While the individual colors chosen are personal preference, best practices exist for both library and PCB design work. Let's take a look at how many of Optimum's librarians configure their Display Controls.
