Each step is clearly explained and is accompanied throughout by full color photos. At the end of each of the procedures you'll find a list of rubrics or ways to note and comment on your performance of each of the key tasks. Rubrics are used in education for organizing and interpreting data gathered from observations of student performance. It is a clearly developed scoring document used to differentiate between levels of development in a specific skill performance or behavior. You can use it to evaluate yourself, other estheticians, other students, or as an instructor to evaluate your own students. To assist you in really learning each and every step, we've noted which procedures can be found on the companion DVD set Milady's Standard Esthetics Fundamentals.
