**Mindfulness at Work** Oli Doyle,2017-01-12 Turn your job into a gateway to joy

contentment and stress free living with bestselling author Oli Doyle's six week guide *In Mindfulness at Work* bestselling author and mindfulness guru Oli Doyle guides you through a six week plan to show that even with demanding bosses and stressful environments we actually can be happy at work. This guide will explore the possibilities that work provides for finding our stuck points, embracing difficult emotions and noticing the patterns of thought that keep us from feeling peaceful. Key learnings include how to move beyond stressful future thinking to focus on what can be attended to now, how flow can benefit you and your organisation by making you calmer, more alert and more attentive to detail, and how to see work as your teacher rather than your project. The *Mindful Living* series is a new series of short mindfulness books dedicated to enhance three important areas of our lives: work, relationships and parenting. Oli Doyle shows that all the key domains of life provide great opportunities to practice mindfulness and discover peace of mind. [Mindful Work Habits](#) [Sky Balancewell, AI, 2025-02-13](#)

*Mindful Work Habits* explores the science of attention and workplace psychology to boost productivity and well-being. It argues that combining mindfulness with strategies rooted in attention research and workplace psychology creates a powerful framework for productive work habits. The book uniquely synthesizes findings from neuroscience, psychology and organizational behavior, offering a grounded, evidence-based approach. It reveals how understanding the brain's information processing and the mind's response to work environments are crucial for optimizing effectiveness without sacrificing mental health. The book begins with the principles of attention and workplace psychology, then moves to practical strategies for focus and distraction management. It culminates with guidance on implementing these principles individually and organizationally. Readers will find actionable steps to lasting change, supported by research and real-world examples, making it valuable for professionals seeking to enhance productivity and reduce stress.
