Open Fire Understanding Global Gun Cultures

Hongru Du

Open Fire Understanding Global Gun Cultures:

Open Fire Charles Springwood, 2006-12-01 Guns are everywhere three quarters of a billion guns from pistols to machine guns exist in the world today And guns are everything a hard won symbol of individual freedom an index of crime and disorder a whole industry legitimately contributing to an economy a popular piece of sports equipment and an object of desire endlessly duplicated by toys video games and films *Open Fire* presents a broad analysis of the social cultural and political significance of firearms and the worlds they create Illustrated with a wide range of case material from North and South America Europe Asia and Africa *Open Fire* explores and questions this global icon of our times Why do guns proliferate What does it mean to shoot or to be shot Who owns guns and who does not How is a firearm a manufactured thing very different from any other object Is there such a thing as a gun psychology How are firearms regarded in places where they are largely non existent Is a gun a different thing when held by a white man

Gun Violence and Prevention - Connections, Cultures, and Consequences Jack Eller, 2024-06-05 People are dying or suffering all over the world from the plague of gun violence and countries and entire regions are reeling from the damage instability and insecurity that gun violence causes Taking a global perspective on the problem and identifying correlates such as drug trafficking gun trafficking state failure ethnic and political conflict terrorism and war and the consequent rise of personal fear and insecurity leading to more citizens arming themselves or hiring armed security forces the chapters in this volume look far beyond the United States which monopolizes public and scholarly attention to include India Latin America and the Caribbean and Africa The chapters explore and compare histories of causes of correlates of and responses to gun violence across this broad region predominantly in the Global South identifying commonalities and differences in the character incidence and attempted prevention of gun violence The volume aims to inform readers about gun violence in these often overlooked places and to encourage intensified quantitative and qualitative research into the geographical and historical diversity of such violence and the steps taken by various countries to curb it Only with a cross cultural and transhistorical perspective can we hope to lower the personal and social cost that gun violence inflicts on populations around the globe

Gun Rights Activists and the US Culture War Joe Anderson, 2024-02-23 *Gun Rights Activists and the US Culture War* is a political anthropology book which explores how firearms can become associated with processes of identity formation as well as acting as symbols of national belonging and embodied safety In the years following Donald Trump's election an increasingly polarised population is taking up arms against each other more often than ever before Based on 12 months of participant observation at gun ranges activist meetings handgun courses and political events as well as interviews with gun rights activists in San Diego County this book argues that US conservative identity is saturated with concerns about ethics gender and who can wield violence legitimately The book focuses on two gun rights organisations the first a conservative predominantly white and male political action committee the second a pro LGBTQ firearms training group run by trans women This book demonstrates how gun ownership

gives Americans the perceived means to enact their political will through the threat of or actual organized violence and that this perceived capacity explains why guns remain objects that continue to inspire such devotion and debate Gun Rights Activists and the US Culture War will be of interest to scholars and students in anthropology gender studies ethnic studies sociology and politics as well as a general audience of narrative non fiction readers

Consumer Culture Theory Russell W. Belk,Linda Price,Lisa Penaloza,2013-12-06 This volume of Research in Consumer Behavior is made up from a selection of papers from the Eight Consumer Culture Theory Conference and represents the latest research on consumption and consumer culture from scholars around the world

Weapons Law in Western Europe, 1550-2020 Gunner Lind,2024-12-09 This book is a transnational history of European weapons law that utilizes the law and primary sources to trace the development from early portable firearms to modern day weapons Challenging many conventional assumptions this book establishes that weapons control in the current sense is a new phenomenon Control with possession only became dominant between 1918 and 1939 thereby establishing a high degree of uniformity for the first time Weapons law is old in Western Europe but only as a palette of possible solutions Possession control triumphed as a tool against Communist and Fascist attacks on democracy and remained as an instrument against crime and accidents It is argued that previously the laws on possession furthered rather than hindered ownership For centuries governments sought security by encouraging trusted men to arm themselves rather than disarming the suspect Legislators used a range of carrying restrictions sometimes many but mostly few as a tool against armed crime The author examines attitudes and policies towards power law violence social hierarchy national defence and civic freedom This volume offers historians and social scientists a new perspective on the long term development of Western European states and societies and it will be of value to undergraduate and postgraduate students of history sociology and politics

Gender and Firearms Peter Squires,2024-04-01 Private gun ownership for self defense remains a major personal and public issue in the United States driven by concerns about crime vulnerability and a range of ideological factors including race and gender As media attention centres upon the extent to which women are taking up firearms with the gun lobby and firearms manufacturers celebrating the new armed woman and guns being promoted as Rape Prevention Kits this book explores the changing gendered aspects of gun ownership Can ownership of firearms by women be considered as some have claimed the embodiment of what might be termed pioneer feminism as women resist male violence in a dangerous world or are different stories told by the prominence of women in firearms control campaigns or the fact that women remain frequent victims of male gun ownership Analysing representations of the armed woman in firearm and gun lobby marketing and advertising campaigns together with television and popular music forms Gender and Firearms My Body My Choice My Gun examines the directions taken in the public debate on weaponisation in the United States considering the role of women in the politics of gun safety and gun control The book draws on statistical evidence in order to shed light on trends in gun ownership whilst engaging with feminist scholarship on

the relationship between gender violence risk and vulnerabilities thus opening up critical new debates surrounding identity performance gender and risk in contemporary societies As such the book will be of likely interest to sociologists and scholars of sociology criminology and cultural and media studies with interests in gender embodiment risk crime and violence

Recreating Japanese Men Sabine Fruhstuck, Anne Walthall, 2011-10-04 *Recreating Japanese Men* is a wonderful and invaluable book Its interdisciplinary mix of essays opens the door to a new world of scholarship on masculinity in Japan David L Howell Harvard University By considering a wide variety of alternative masculinities throughout Japanese history these essays reveal the tensions conflicts and overlapping between competing masculine and feminine ideals and practices in surprising ways Robert A Nye Oregon State University This gallery of striking but also subtle images of Japanese masculinity both reinforces old and reveals new historical understandings of Japanese political and military institutions social divisions and cultural anxieties Essential reading in both Japan and masculinity studies Gary Cross author of *Men to Boys The Making of Modern Immaturity* *American Gun Culture* Jimmy D. Taylor, 2009 Taylor focuses on the value that gun owners place on their guns and the possibility that different guns mean different things to their owners His research explores the symbolic meaning of guns and the ways in which the meaning assigned to guns influences gun ownership and use Some of the more interesting findings center around conversations with gun collectors and enthusiasts about a series of interaction rituals rituals pertaining to being a gun owner a gun user and possibly even the gun as an object of near worship Gun owners also recognize a unique stigma and respond through a complex series of stigma management techniques **International Guide to Literature on Masculinity** Diederik F. Janssen, 2008 International in scope this guide lists references by world region selected nations selected American ethnic minorities and Christianity and Judaism Specific ethnic minorities covered include American Indians African Americans and Asian Americans **Choice**, 2008 *Journal of Peace Research*, 2007-07

Departmental Reports University of the West Indies, 2006 **(Anti) Narcissisms and (anti) Capitalisms** Mark Malisa, 2010 What if Mahatma Gandhi Malcolm X Nelson Mandela and Jurgen Habermas had a conversation on what it means to be a human being This book synthesizes the depiction of human nature in relation to anti capitalisms and anti narcissisms in the work of Mahatma Gandhi Moksha Malcolm X Islam Nelson Mandela Ubuntu and Jurgen Habermas Communicative Action Critical Theory Understandings of what it means to be a human being and the purpose of life vary from one philosophy to another and yet have a bearing on contemporary issues The reader is invited to assess the philosophies with regard to conceptually and life affirming philosophies of human nature when placed in the context of anti narcissisms and anti capitalisms Also examined are the theories of education in the works Mahatma Gandhi Malcolm X Nelson Mandela and Jurgen Habermas To teach toward a fuller and meaningful humanity requires an analysis and understanding of the many traditions that contribute to humankind including the non western The classroom offers unheralded opportunities for students and educators to be knowledgeable about different cultures peoples and ways of being Anti Narcissisms and Anti

Capitalisms will be of interest to researchers educators students peace activists philosophers of education and those working in the humanities Mark Malisa Formerly of Northeastern University Boston Massachusetts United States of America

Ilemi Triangle Nene Mburu, 2007 Awash with guns the Ilemi Triangle is a sanctuary for smash and grab cattle badits This provocative reader unravels the contradictions of the territory and sheds important new light upon the history politics and sociology of a forgotten dispute in eastern Africa and explores the impracticability of African state boundaries American Book Publishing Record, 2006 **Culture and Life**, 1968 **Summary of World Broadcasts** British Broadcasting Corporation. Monitoring Service, 1989 AK47 Michael Hodges, 2007 In the 60 years since General Kalashnikov created the AK47's distinctive silhouette the gun has been at the center of conflicts across the Middle East Africa Europe and Latin America The weapon that made Kalashnikov The Hero of the Soviet Union has also appeared on T-shirts and vodka bottles starred in videos and song lyrics and been re-fashioned in crystal a gift from Vladimir Putin to George W Bush Focusing on the testimonies of the men and women who have experienced the weapon firsthand including a Sudanese child soldier a Vietcong veteran and a French photographer who has documented the carnage in the West Bank Michael Hodges's AK47 The Story of a Gun tells the fascinating story of the world's most ubiquitous gun from its origins in the Soviet Union through its rebirth in the hands of third world revolutionaries to its current status as the brand leader in international terrorism

Global War Crimes Tribunal Collection, 1997 **The Popular Culture Explosion** David Madden, 1972

Open Fire Understanding Global Gun Cultures Introduction

In the digital age, access to information has become easier than ever before. The ability to download Open Fire Understanding Global Gun Cultures has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Open Fire Understanding Global Gun Cultures has opened up a world of possibilities. Downloading Open Fire Understanding Global Gun Cultures provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Open Fire Understanding Global Gun Cultures has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Open Fire Understanding Global Gun Cultures. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Open Fire Understanding Global Gun Cultures. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Open Fire Understanding Global Gun Cultures, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Open Fire Understanding Global Gun Cultures has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Open Fire Understanding Global Gun Cultures Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Open Fire Understanding Global Gun Cultures is one of the best book in our library for free trial. We provide copy of Open Fire Understanding Global Gun Cultures in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Open Fire Understanding Global Gun Cultures. Where to download Open Fire Understanding Global Gun Cultures online for free? Are you looking for Open Fire Understanding Global Gun Cultures PDF? This is definitely going to save you time and cash in something you should think about.
