

# ***Opening Remarks (United Nations)***

On October 24, 1945, 51 countries joined forces to form the intergovernmental organization known as the United Nations. 76 years later, we commemorate this milestone that has led to breakthroughs in international peace and cooperation. Enfant Cheri recognizes this as we hold today our annual United Nations Day Celebration.

To our school President, Teacher Flora L. Aurea; our school Vice-President, Teacher Nelly L. Abrantes; our Secretary/Treasurer of the board, Teacher Rosalina G. Tampit; our school Principal, Teacher Jinky G. Resabal, honorable teachers and staff, our parents, friends, fellow Cherians, a pleasant morning/afternoon to all of you!

In many countries all around the world, people celebrate UN Day with national costumes, flag-making, and other showcases of cultural appreciation — making it an event that every Cherian looks forward to. While this year's circumstances are far from ideal, no pandemic will prevent us from honoring this significant day with the theme: "Recovering Better for an Equitable and Sustainable World."

According to a recent UN Secretary-General report, our country is at a critical juncture in history, with humanity forced to choose between a breakdown and a breakthrough. The Coronavirus conflict and climate change are wreaking havoc on our ability to achieve development goals. As a result, poverty, inequality, and violence continue to thrive, depriving millions of people around the world of their right to proper care.

This is a problem that our world is facing today which is why the need for solidarity and cooperation must be emphasized to address these and other challenges if we are to reconstruct the social contract. In other words, this entails rewriting society rules in the ways people find answers to common issues, manage risks, supply public goods, and adopt norms and values.
