Sumner,2015-08-20 Everything we do online and increasingly in the real world is tracked logged analyzed and often packaged and sold on to the highest bidder Every time you visit a website use a credit card drive on the freeway or go past a CCTV camera you are logged and tracked Every day billions of people choose to share their details on social media which are then sold to advertisers The Edward Snowden revelations that governments including those of the US and UK have been snooping on their citizens have rocked the world But nobody seems to realize that this has already been happening for years with firms such as Google capturing everything you type into a browser and selling it to the highest bidder Apps take information about where you go and your contact book details harvest them and sell them on and people just click the EULA without caring No one is revealing the dirty secret that is the tech firms harvesting customers personal data and selling it for vast profits and people are totally unaware of the dangers You For Sale is for anyone who is concerned about what corporate and government invasion of privacy means now and down the road The book sets the scene by spelling out exactly what most users of the Internet and smart phones are exposing themselves to via commonly used sites and apps such as facebook and Google and then tells you what you can do to protect yourself The book also covers legal and government issues as well as future trends With interviews of leading security experts black market data traders law enforcement and privacy groups You For Sale will help you view your personal data in a new light and understand both its value and its danger Provides a clear picture of how companies and governments harvest and use personal data every time someone logs on Describes exactly what these firms do with the data once they have it and what you can do to stop it Learn about the dangers of unwittingly releasing private data to tech firms including interviews with top security experts black market data traders law enforcement and privacy groups Understand the legal information and future trends that make this one of the most important issues today

**The Strategic Digital Media Entrepreneur** Penelope M. Abernathy,JoAnn Sciarrino,2018-11-20 A goldmine of

strategic insights and practical business guidance covering all aspects of media entrepreneurship in the Digital Age. The media industry is facing epic upheaval. Revolutionary new technologies compel those in businesses as diverse as broadcasting to book publishing to radically recreate their business models or be left in history's wake. At the same time, those with the next big idea are eager to acquire the business know-how needed to make it in today's brave new world of media. Written by a uniquely well-qualified author team, this book addresses the concerns of both audiences. Penelope Muse Abernathy and JoAnn Sciarrino provide timely lessons on everything from media financing to marketing, business strategy to leadership innovation to business accounting. They use numerous case studies and real world vignettes to reveal the success secrets of today's hottest media entrepreneurs as well as the fatal flaws that lead many promising new ventures down the road to ruin. They begin with a primer on digital entrepreneurship basics covering how to create a winning digital business model, obtain financing, do business accounting, identify strategic challenges and more. From there, they show you how to Develop sustainable customer focused strategies while overcoming the unique leadership challenges of the Digital Age. Define your company's unique value proposition, prioritize investments in key assets and form strategic partnerships and alliances. Understand and prepare to exploit the vast potential inherent in the next generation of digital technologies including artificial intelligence, virtual reality and blockchain among others. The two companion websites feature a wealth of supplemental material including updates, instructional videos, essays by media leaders as well as PowerPoint presentations and study guides for instructors. **Marketing Your Startup** Simona Covel, 2018-05-29 Whether you've got a robust budget or you're bootstrapping your way to the top, this book gives you the tools to launch an empire. Let Inc. catapult your company to success. To put a business on the map, nothing beats great marketing. No matter how original your idea or ambitious your dreams, the company will stall without a plan to spread the word, build momentum and drive sales. But how many entrepreneurs excel at marketing? If you are like most, you are focused on building your product or service and don't know how to execute a marketing strategy or measure the results. No one is better positioned than Inc. to help you get up to speed fast. *Marketing Your Startup* shares these compelling stories and spotlights strategies for igniting growth, including how Dollar Shave Club mastered the inexpensive viral video and rocketed to success; Casper combined content marketing, creative branding and old fashioned subway ads to convince consumers to buy mattresses a whole new way; SoulCycle's obsessive fixation on their brand fueled their rise from spin studio to cult-like fitness sensation. Through firsthand insights from founders and helpful how-to guidelines, you'll learn to define your brand, market position and customers, then unleash the right mix of tactics through the right channels: social media, email and direct mail, content marketing, SEO, media ads, events, guerilla marketing, influencers, cause marketing and more.
