Focus On: 100 Most Popular Television Shows Set in New York City Wikipedia contributors, **Exploring Management** John R. Schermerhorn, 2011-10-11 The primary goal of this edition of Exploring Management is to help build core management competencies for today's global and more complex workplace including issues related to planning, organizing, leading, and controlling POLC with more hands-on type materials such as cases, exercises, and application. Schermerhorn uses a conversational and interactive writing style to master concepts in a bite-size and fundamental approach. This text presents managerial concepts and theory in a straightforward, interesting style with a strong emphasis on application. The discussion of theory is framed in a unique, engaging, and concise way. The goal is to promote critical thinking and the ability to make sound business decisions using managerial theory. Concepts are explored and reinforced by most hands-on applications, exercises, cases, and the integration of technology. The text also focuses on the most important aspects of the POLC model, emphasizing skill building.

Everything I Need I Get from You Kaitlyn Tiffany, 2022-06-14 One of The New York Times Book Review's 100 Notable Books of 2022. Named one of the best books of 2022 by The New Yorker, Pitchfork, Vanity Fair, and TIME. A New York Times Book Review Editors' Choice. On the internet, fandom can be a route toward cyberbullying a baby or it can be a way of figuring some things out about yourself. Sometimes it can even forge a writer as funny and perceptive as Kaitlyn Tiffany. Amanda Hess, The New York Times' Wistful, winning, and unexpectedly funny Katy Waldman, The New Yorker. A thrilling dive into the world of superfandom and the fangirls who shaped the social internet. In 2014, on the side of a Los Angeles freeway, a One Direction fan erected a shrine in the spot where a few hours earlier Harry Styles had vomited. It's interesting for sure. Styles said later, adding a little niche maybe. But what seemed niche to Styles was actually a signpost for an unfathomably large, hyper-connected alternate universe stan culture. In *Everything I Need I Get from You*, Kaitlyn Tiffany, a staff writer at The Atlantic and a superfan herself, guides us through the online world of fans, stans, and boybands. Along the way, we meet girls who damage their lungs from screaming too loud, fans rallying together to manipulate chart numbers using complex digital subversion, and an underworld of inside jokes and shared memories surrounding band members' allergies, internet typos, and hairstyles. In the process, Tiffany makes a convincing and often moving argument that fangirls in their ingenuity and collaboration created the social internet we know today. Before most people were using the internet for anything, Tiffany writes, fans were using it for everything. With humor, empathy, and an insider's eye, *Everything I Need I Get from You* reclaims internet history for young women establishing fandom not as the territory of hysterical girls but as an incubator for digital innovation, art, and community. From alarming fandom splitting conspiracy theories about secret love and fake children to the interplays between high and low culture and capitalism, Tiffany's book is a riotous chronicle of the movement that changed the internet forever.

Believe Jeremy Egner, 2024-11-12 From The New York Times's Jeremy Egner, the definitive book on Ted Lasso. When *Ted Lasso* first aired in 2020, nobody including

those who had worked on it knew how a show inspired by an ad centered around soccer filled mostly with unknown actors and led by a wondrously mustachioed nice guy would be received Eleven Emmys and one Peabody Award later it's safe to say that the show's status as a pop culture phenomenon is secure In Believe entertainment journalist and Ted Lasso fan Jeremy Egner traces the show's creation and legacy through the words of the people at its center Drawing on dozens of interviews from key cast creators and more Believe takes readers from the first silly NBC Premier League commercial to the pitch to Apple executives then into the show's writers room through the brilliant international casting and on to the unforgettable set and locations of the show itself Brimming with careful reporting and written to match the show's heart and humor Believe tells a story of teamwork of hidden talent of a group of friends looking around at the world's increasingly nasty discourse and deciding that maybe simple decency still has the power to bring us together a story about what happens when you dare to believe
