The First Meeting Differentiator Lee B. Salz, 2025-09-30 The first meeting is where everything begins or ends Get it right and you build unstoppable deal momentum Get it wrong and the deal is in big trouble Traditional discovery meetings must die Today's buyer demands it They no longer tolerate one sided sales interrogations that serve the seller but

provide no value to them. If they agree to a meeting with you, they expect something more: a consultation experience that makes them wiser as a result of time spent with you. That's the transformation. The First Meeting Differentiator guides you to make. In this breakthrough book, world renowned sales management strategist and bestselling author Lee B. Salz reveals the strategy and the step by step framework for transforming your first meetings into high impact, client-centric consultations that differentiate you and lay the foundation to win more deals at the prices you want. This shift changes the entire buyer-seller experience. First meetings become energized, trust-building, impactful conversations that ignite interest and set the stage for closing deals. Following the success of Salz's bestsellers, *Sales Differentiation* and *Sell Different*, The First Meeting Differentiator adds a powerful new component to your sales strategy. Packed with real-world stories, actionable insights, and hands-on workshops, this is the ultimate guide to modernizing your sales approach and outselling the competition. Design a first meeting strategy that excites prospects and earns their trust. Use techniques that differentiate the meeting experience, not just your product. Shift from one-sided discovery to dynamic consultations that deliver value for both sides. Engage emotions in ways that motivate them to take action by leveraging Empathetic Expertise. Master qualifying to separate real deals from mirages. Create intriguing questions that qualify deals, differentiate you, and make consultations magical. Stop talking about features and benefits and develop stories that captivate, differentiate, and lead them to want to buy from you.

**Four Days a Week** Juliet Schor, 2025-06-03. Bestselling author, leading sociologist and economist Juliet Schor makes the case for a four-day work week, persuasively showing how this model can address major challenges such as burnout, AI, and the climate crisis, and how employees, companies, and governments can work together to make it a reality. Around the world, long hours and intense pressure are taking their toll. When the pandemic hit in 2020, work-induced stress and burnout skyrocketed. Many reached a breaking point. Now, three-quarters of the world's employees are disengaged and struggling, including in the US and Canada, where half are experiencing high levels of daily stress. Our current work culture, the five-day, forty-hour-a-week model, which has gone unchanged for nearly a century, is failing. But a remedial countertrend has emerged: the four-day work week. Kickstarter, Bolt, Basecamp, ThredUp, and hundreds of other employers have eliminated the fifth day of work, successfully figuring out how to maintain productivity while seeing remarkable improvements in employee well-being. Hiring is easier, and fewer people are quitting. These results are global. Working a four-day week, people feel energized, capable, and more optimistic about their lives and their jobs. *Four Days a Week* is the first large-scale study of this trend. Juliet Schor, an expert who has researched and written about work for more than four decades, beginning with her New York Times bestseller *The Overworked American* in 1992, shares her pioneering analysis of the benefits of a shorter work week, how companies can achieve them, why the concept has taken so long to emerge and gain acceptance, and why doing so will help a company's employees and its bottom line. The book is a blueprint for implementing a change that once seemed radical but is now within reach. *Entrepreneurship* Andrew Zacharakis, Andrew C. Corbett, William D. Bygrave, 2025-02-11.
