English for Digital Business Students Tira Nur Fitria,2025-09-03 English for Digital

Business Students is a comprehensive and practical textbook designed specifically for students enrolled in Digital Business programs. This book integrates English language learning with relevant business content enabling learners to communicate effectively in the context of today's digital economy. The book consists of 52 structured units each combining vocabulary development, grammar practice, reading comprehension, writing exercises, speaking tasks, and listening activities. All lessons are centered around real world digital business topics. Learners are introduced to fundamental concepts to advanced areas which ensure both language acquisition and business understanding. The chapters include: Introduction to Digital Business, Traditional and Digital Business, Company Business, E Commerce, Marketplace, Becoming Seller and Reseller, Products Quality, Writing Product Descriptions, Writing Product Listings, Placing an Order, Prices and Percentages, Talking about Discount Services and Service Description, Writing Service Description, Payment Methods, Sales Writing, Business Emails, Professions Related to Digital Business, Customer Service, Support Writing, Online Reviews on Platforms, Product Reviews, Service Reviews, Business or Brand Reviews, Answering Customer Questions, Thanking Customers, Responding to Customer Inquiries, Handling Customer Complaints, Consumer Feedback, Handling Online Reviews and Ratings, Handling Refunds and Exchanges, Digital Content, Business Identity and Personality, Brand and Logo, Online Orders, Managing, Packing, Packaging, Labelling, Delivery and Shipping, Traditional Marketing and Digital Marketing, Live Shopping, Digital Advertising, Social Media Marketing, Email Marketing, Influencer Marketing, Video Marketing, Mobile Marketing, Affiliate Marketing, Simple Customer Surveys, Talking About Hobbies and Interests, Shopping, E Commerce, Websites, Online Business Problems, Laws Related to Digital Business, Job Vacancies Related to Digital Business, and Writing Application Letters Related to Digital Business. Whether used in the classroom or for self study, English for Digital Business Students is an ideal resource for learners who want to improve their English proficiency while gaining insights into the digital business world. With its blend of language development and business content, the book supports both academic success and career readiness.

The Feminist Fallacy Conrad Riker, Are you tired of swiping left on countless dating apps only to find women who seem to have impossibly high standards? Are you struggling to understand why women are increasingly rejecting men at their level in favor of an idealized version of a man that doesn't exist? If so, this book is for you. The Feminist Fallacy explores the modern phenomenon of hypergamy where women naturally seek to marry up in status and how social media has exacerbated this problem. It delves into the role that left wing ideologies like Marxism play in distorting women's self perception and expectations and the contradictions within feminism that encourage women to look down on men who don't meet their unrealistic standards. This eye opening book also examines the obsession with the 1% man prototype and the psychological impact on men who are constantly undermined and berated by the very women they are trying to attract. It investigates the growing trend of men choosing to opt out of relationships and marriage and what this means for the future of relationships between men and women. The Feminist Fallacy ultimately seeks to expose the truth about the state of relations between men and women and promote a more

balanced and realistic understanding of the sexes It provides potential solutions and strategies for both men and women to find a more fulfilling relationship dynamic based on mutual respect and understanding of biological and psychological realities If you want to understand the complexities of modern dating and relationships and develop strategies for navigating this difficult landscape then buy this book today Read The Feminist Fallacy and join the redpill revolution for a better future for both men and women

New Trends in Marketing and Consumer Science Tarnanidis, Theodore K., Sklavounos, Nikolaos, 2024-05-17 Marketing and consumer science are undergoing a seismic shift propelled by an array of dynamic trends and advancements Technological advancements along with shifting socioeconomic and geopolitical factors have transformed consumer behaviors and preferences in unprecedented ways As a result anticipating emerging trends and adapting strategies accordingly has become essential for success in this dynamic landscape New Trends in Marketing and Consumer Science is the groundbreaking solution poised to revolutionize how academia approaches the study of marketing and consumer science This book offers a roadmap for scholars to navigate the evolving landscape with confidence and foresight while delving into the trends shaping the future of these disciplines From AI and machine learning to sustainability and ethical marketing each chapter provides invaluable insights and practical strategies for addressing the challenges of today and anticipating those of tomorrow
