Applied Marketing Rochelle Grayson, Daniel Padgett, Andrew Loos, 2023-10-23 Tomorrow's professionals need a practical customer-centric understanding of marketing's role in business and critical thinking skills to help their organizations succeed. *Applied Marketing 2nd Canadian Edition* helps students learn practical modern marketing concepts appropriate for the Principles of Marketing course by applying them to the latest business scenarios of relatable brands. This comprehensive yet concise text is co-authored by Professors Rochelle Grayson and Daniel Padgett and practitioner Andrew Loos and it blends current academic theory with an agency owner perspective to help students get an insider's look at how top businesses operate. With many Canadian-specific examples, students can relate concepts learned in the classroom to marketing topics and events taking place in their backyard.

Proceedings of the 2025 International Conference on Financial Risk and Investment Management (ICFRIM 2025) Maizaitulaidawati Md Husin, 2025-08-03 This book is an open access. The 2025 International Conference on Financial Risk and Investment Management ICFRIM 2025 will be held from February 28th to March 2nd in Singapore. This global event will serve as a key platform for the presentation and discussion of the latest research and innovations in financial risk management, investment strategies, and related areas. The conference will bring together a diverse group of scholars, practitioners, and industry experts to explore the challenges and opportunities in the rapidly evolving financial landscape. As the financial industry continues to face unprecedented changes due to technological advancements, regulatory shifts, and global economic dynamics, effective risk management and innovative investment strategies have never been more critical. ICFRIM 2025 aims to provide a platform for the exchange of ideas, the sharing of best practices, and the exploration of new frontiers in financial risk and investment management. The conference will feature keynote speeches and paper presentations from leading academics and professionals in the field. Topics will range from risk assessment and mitigation strategies to the impact of fintech and artificial intelligence on investment management. Attendees will have the opportunity to engage with cutting-edge research, network with peers, and gain valuable insights into the latest trends and developments shaping the future of finance. We invite researchers, industry practitioners, and policymakers from around the world to participate in ICFRIM 2025, contributing their expertise and perspectives to this important dialogue. Join us as we collaborate to advance the field of financial risk and investment management.
