**Financial Accounting Cases** Camillo Lento,Jo-Anne Ryan,2019-09-16 Canadian Financial Accounting Cases

3rd edition has been developed to bridge the gap between the foundational concepts and the real world. Students are introduced to the case study methodology for financial accounting which focuses on identifying the issue, understanding implications, developing alternatives and making recommendations. Students must also be able to understand the overall financial reporting landscape and the overall impact of the individual accounting issues. The cases range from introductory level to advanced level and can be used as assignments, exams or for in class discussions. The cases have been developed using IFRS Part I ASPE Part II or ASNPO Part III as the accounting frameworks providing students with exposure to many different types of organizational structures and have been linked to the CPA Competency Map. Instructors are provided with detailed teaching notes and marking keys that will assist in guiding the class discussions and assessments

**Sports and the Changing Sports Media Industry** Nicholas David Bowman,John S. W. Spinda,Jimmy

Sanderson,2016-03-17 This edited collection examines how fantasy sports play has established a prominent and promising foothold in the larger sports ecology. Often considered an isolated activity for the hardcore sports fan, fantasy sports play have since been incorporated into sports broadcasting and editorial coverage, sports marketing and promotions, and even into the very sports themselves with athletes and teams using the activities to draw fans further into the sports experience. This edited collection invites leading scholars and sports professionals from several different fields to share historical and emerging perspectives on the importance of fantasy sports as an artifact of theoretical and empirical importance to larger issues of sport and society
