## **Offender Rehabilitation In Practice Implementing And Evaluating Effective Programs:**

**Offender Rehabilitation in Practice** Gary A. Bernfeld, David P. Farrington, Alan W. Leschied, 2003-01-10 Documented evidence suggests that community safety is best achieved through policies promoting human services rather than relying totally on prisons and that promoting intervention in an individual's own environment known as ecological integrity is closely associated with effective intervention This is the first book to focus on the transfer of knowledge of worldwide effective offender rehabilitation programs Prominent researchers and practitioners in the criminal justice field have contributed their extensive knowledge of what it takes to implement effective correctional practices with ecological integrity Reviews real world challenges of program effectiveness and survival Offers effective evidence based innovative alternatives to imprisonment of offenders Offers a common multi level systems perspective as a framework for the international case studies featured The first book to focus on the transfer of knowledge and best practice through the concept of technology transfer

*Social Learning Theory and the Explanation of Crime* Ronald L. Akers, Gary F. Jensen, 2011-12-31 Social learning theory has been called the dominant theory of crime and delinquency in the United States yet it is often misrepresented This latest volume in the distinguished *Advances in Criminological Theory* series explores the impact of this theory Some equate it with differential association theory Others depict it as little more than a micro level appendage to cultural deviance theories There have been earlier attempts to clarify the theory's unique features in comparison to other theories and others have applied it to broader issues These efforts are extended in this volume which focuses on developing applying and testing the theory on a variety of criminal and delinquent behavior It applies the theory to treatment and prevention moving social learning into a global context for the twenty first century This comprehensive volume includes the latest work tests and theoretical advances in social learning theory and will be particularly helpful to criminologists sociologists and psychologists It may also be of interest to those concerned with current issues relating to delinquency drug use abuse and drinking alcohol abuse

*Offender Rehabilitation and Treatment* James McGuire, 2003-04-11 Criminal behaviour continues to be a matter of major public concern How society should respond to it and what should be done with those who repeatedly offend remain hotly disputed topics of conversation *Offender Rehabilitation and Treatment* draws together internationally renowned experts from the United Kingdom Europe North America and Australia Chapters summarise some of the most recent and exciting developments in this field and offer a systematic knowledge based approach to the effective reduction of criminal behaviour Offers coverage of a wide range of key topics in this area Links theory research and practice in a coherent and accessible style International focus with examples and authors from a number of countries

*Offending Behaviour Programmes* Emma J. Palmer, 2006-10-02 Part of the *Wiley Series in Forensic Clinical Psychology* *Offending Behaviour Programmes* Development Application and Controversies explores the subject at two levels the technical issues associated with designing and implementing programs and the broader issues surrounding programs such as the impact on practitioners Each chapter

covers theory research practice and evaluation      *The Cambridge Handbook of Forensic Psychology* Jennifer M. Brown, Elizabeth A. Campbell, 2010-04-29 Forensic psychology has developed and extended from an original narrow focus on presenting evidence to the courts to a wider application across the whole span of civil and criminal justice which includes dealing with suspects offenders victims witnesses defendants litigants and justice professionals This Handbook provides an encyclopedic style source regarding the major concerns in forensic psychology It is an invaluable reference text for practitioners within community special hospital secure unit prison probation and law enforcement forensic settings as well as being appropriate for trainees and students in these areas It will also serve as a companion text for lawyers and psychiatric and law enforcement professionals who wish to be apprised of forensic psychology coverage Each entry provides a succinct outline of the topic describes current thinking identifies relevant consensual or contested aspects and alternative positions Readers are presented with key issues and directed towards specialized sources for further reference      **Offender Rehabilitation in Practice** Gary A.
