Index-catalogue of the Library of the Surgeon-General's Office, United States Army Library of the Surgeon-General's Office (U.S.), 1880 Flooding Studies of Proposed Repository Locations in the Palo Duro Basin of the Texas Panhandle NUS Corporation, 1985 **National Priorities List Sites** United States. Environmental Protection Agency. Office of Emergency and Remedial Response, 1991 *National Priorities List Sites*, 1991 Index Catalogue of the Library of the Surgeon-general's Office, United States Army (-United States Army, Army Medical Library; -National Library of Medicine). Library of the Surgeon-General's Office (U.S.), 1881 **Argillaceous Rock Atlas** Neal R. O'Brien, Roger M. Slatt, 1990 A major reason for the lack of understanding of argillaceous rocks is that the key to understanding their history lies in their microfabric Argillaceous Rock Atlas addresses this aspect by taking a systematic approach to the analysis of shale fabrics This approach combines such techniques as scanning electron microscopy x radiography and thin section petrography Thus the book is amply illustrated with scanning electron and thin section photomicrographs and x radiograms which show the salient features of shale at a variety of scales A great portion of the book is devoted to case studies supplemented by mineralogical and geochemical data which demonstrate the utility of these techniques in the interpretation of depositional environments diagenetic processes and possible economic significance of argillaceous rocks Argillaceous Rock Atlas is a valuable and unique reference for students and researchers involved in the fields of sedimentology and stratigraphy petrology petroleum geology hydrogeology and geochemistry *Classified List* Princeton University.
