Otherwise My Life Is Ordinary:

Memoirs of an Ordinary Guy Daniel Stuart Olmes, Jamie Clarke, 2023-01-24 By most measures Daniel Olmes is an ordinary guy but he's learned how to live an extraordinary life. In Memoirs of an Ordinary Guy Daniel asserts that we are all capable of being extraordinary and redefines what it means to be just another ordinary person. He is living proof that extraordinary is there for all of us. It doesn't mean rich or famous. It doesn't mean better. To Daniel, extraordinary means grateful, honest, happy, loving, fearless, and faithful. Doing extraordinary things is not what makes us extraordinary. Being extraordinary is having an extraordinary perspective on our lives and the things that happen to us. Daniel's narrative will inspire everyone to view their lives differently, remind us of the stories that we all share, and spark a renewed curiosity about a world that's anything but ordinary.

Eleven Commandments of Life Maximization Santosh Nair, 2014-01-04 The brutal truth of why you are where you are. Eleven Commandments of Life Maximization does not claim to offer instant happiness nor make us richer, thinner, and younger looking, but it tells us the brutal truth of why we are where we are and how to live our life. These are tried and tested rules backed by real examples from the contemporary world that will lead you to the unflinching path of Life Maximization. The easy-to-follow exercises at the end of every chapter ensure that you have assimilated the lesson and can now apply it practically to your life.

The Precursor of a New Race

KRISHNENDU SEKHAR DASPATNAIK, 2022-12-20 One of the greatest of seers, an apex personality in the history of mankind who ascended to the crest of the universal forces to eliminate the poignancy of human ignorance on earth. He made a God's Labour with great adventure to free man from the shackles of the iron rules of imposed destiny. He had to make a supreme sacrifice to change the destiny of mankind by rendering his own earthly body as a base for the descent of the highest Truth, Power, Light, Force and Consciousness onto the earth for a luminous future of mankind. He fulfilled his ultimate dream of liberating humanity from the vicious circle of ignorance and in conscience. The Saviour of mankind is none other than Sri Aurobindo who has achieved all for humanity and charted the pathway for humanity to a delightful, glorious New World and New divine Race. In the upheaval of humanity's evolutionary journey, Sri Aurobindo has explored and prepared a path for mankind leading to a world of Beauty and Love. We must follow that path to find that divine life where there would be no disease, decay, death or destruction. Life would no longer be a confusion and chaos, a struggle for basic survival; there would be no quarrels, fighting, competition; there would be no war, accidents, calamities; there would be no more selfishness, ego, eccentric attitudes, ingratitude, inhumanity, cruelty, poverty, suffering or pain; there would be no medical emergencies, heinous killing and murder, barbarism, vandalism.
