Richard Schultz

Out Of Context How To Avoid Misinterpreting The Bible:

Out of Context Richard L. Schultz, 2012-11-01 Although 92% of American households own at least one Bible their use of the Bible varies significantly Only 59% of Americans read the Bible at least occasionally and an even smaller percentage go beyond merely reading the Bible and actually study it It is no wonder that even those who say they read the Scriptures often don't understand them Veteran Bible professor Richard L Schultz believes the misinterpretation and misapplication of biblical texts amounts to a crisis of interpretive malpractice In *Out of Context* he seeks to explain how biblical interpretation goes wrong and how to get it right He introduces readers to the important concepts of context word meaning genre and the differences between the world of the Bible and our own Readers who delve into the fascinating world of biblical interpretation found in this book will find their Scripture reading enhanced and be enlightened by Schultz's powerful and ultimately positive message

Out of Context Richard Schultz, 2014-05-14 Veteran professor of biblical studies offers a unique approach to help readers avoid common interpretation pitfalls in order to understand and apply Scripture

Inductive Bible Study Richard Alan Fuhr, Al Fuhr, Andreas J. Köstenberger, 2016-11-15 Inductive Bible Study provides a step by step approach to Bible study based on a three part interpretive framework observation interpretation and application

A Concise Guide to Bible Prophecy Stan Guthrie, 2013-07-01 A glance at tabloid headlines reveals that we have an almost insatiable desire to see into the future In our search to know what is to come many turn to the Bible for answers Both the Old and the New Testament are loaded with prophets and prophecies Who were these people who supposedly could predict the future Have their prophecies come true Now readers can get to the bottom of 60 crucial Bible prophecies quickly and easily with *A Concise Guide to Bible Prophecy* This accessible handbook will help readers understand prophecies within their biblical context and avoid common misinterpretations Author Stan Guthrie explains what each prophecy meant to those who first received it summarizes what it means for us today and provides verses or passages for further individual or group study

Interpreting the Old Testament Theologically Andrew T. Abernethy, 2018-12-18 How should Christians read the Old Testament today Answers to this question gravitate between two poles On the one hand some pay little attention to the gap between the Old Testament and today reading the Old Testament like a devotional allegory that points the Christian directly to Jesus On the other hand there are folks who prioritize an Old Testament passage's original context to such an extent that it is by no means clear if and how a given Old Testament text might bear witness to Christ and address the church This volume is a tribute to Willem A VanGemeren an ecclesial scholar who operated amidst the tension between understanding texts in their original context and their theological witness to Christ and the church The contributors in this volume share a conviction that Christians must read the Old Testament with a theological concern for how it bears witness to Christ and nourishes the church while not undermining the basic principles of exegesis Two questions drive these essays as they address the topic of reading the Old Testament theologically Christology If the Old Testament bears witness to Christ

how do we move from an Old Testament text theme or book to Christ Ecclesiology If the Old Testament is meant to nourish the church how do scriptures originally given to Israel address the church today The volume unfolds by first considering exegetical habits that are essential for interpreting the Old Testament theologically Then several essays wrestle with how topics from select Old Testament books can be read theologically Finally it concludes by addressing several communal matters that arise when reading the Old Testament theologically

Breaking Open the Lectionary Margaret Nutting Ralph, 2005 It is not enough to understand the Lectionary readings in their liturgical context Knowledge of the biblical context of the Lectionary readings is vitally important especially for facilitators of RCIA and other faith sharing groups and for those who proclaim the Word Breaking Open the Lectionary provides this essential background information by placing the readings for each Sunday of the liturgical year in their biblical contexts as distinct from their contexts in the Lectionary and explaining how knowledge of these contexts affects our ability to understand what the inspired authors intended to teach Breaking Open the Lectionary will help those who break open the Word to avoid misinterpreting Scripture by providing readers with the background information needed to recognize when the application of a particular passage to a person's life is faithful to the Bible and when it is not While the book is for Cycle B the readings for the Third Fourth and Fifth Sundays of Lent in Cycle A are also included for RCIA groups Three sets of discussion questions for Breaking Open the Word groups other faith sharing groups and Bible study groups round off each Sunday

BOOK JACKET *Polished But Not Perfect* Toos Rosies, 1990

Antisemitism in the New Testament Lillian C. Freudmann, 1994 This is the first book since the canonization of the New Testament which studies its anti Jewish contents on a thorough systematic verse by verse basis The author identifies every misquotation and mistranslation from the Hebrew Bible and rebuts every antisemitic assertion in the Christian Scriptures The book examines the historical background in which the Gospels and Epistles were written and how contemporary conditions affected their contents The final chapter deals with the impact of the New Testament on Jews and Christians for the past two millennia and the possibilities of revising this trend through alternate interpretations

Contents When and How it all Started The Tanakh According to the Gospel On Reinventing Paul The Letters that Started a Religion The Law According to Paul The View of the Jew in the Gospels and Acts Where Do We Go From Here Bibliography Indexes
