guide that turns the seventy eight cards of the Tarot into a portable imaginative and deeply intuitive tool for writing fiction Whether you re struggling with a sagging middle stuck on character development or searching for a plot twist that works Tarot can show you the way This book isn t about divination it s about direction Each card is a myth symbol character setting or conflict waiting to be explored Writers can use the cards visually metaphorically and literally to deepen scenes develop backstory identify emotional stakes and spark creative breakthroughs Practical guide for using Tarot in every stage of fiction writing Exercises and questions to move plot deepen character and enhance setting Tools for editing revising and navigating the writing life Extensive resource section with books software websites and organizations Whether you re outlining a new novel or revising a draft in progress Tarot for the Fiction Writer will help you find your story s true north and keep your creative compass steady through every tempestuous chapter

*All the Words* Kristen Tate, 2020-02-10 If you read one book about writing every week for a year what would you learn Thanks to the self publishing revolution and events like National Novel Writing Month the genre of writing craft books has exploded in recent years Book editor Kristen Tate set out to read and review one writing advice book each week for a year from classics like E M Forster s *Aspects of the Novel* and Anne Lamott s *Bird by Bird* to newer works like Jane Alison s *Meander Spiral Explode* and Jessica Brody s *Save the Cat Writes a Novel* What she discovered was a dizzying array of approaches to writing plotters who know even the smallest details about characters before they write a word pantsers who blithely dive right into a draft without a plan anti adverb crusaders and advocates for complex sentences and always that the best way to learn is to read the kinds of books you want to write *All the Words* is also a meditation on the challenges and pleasures of starting and sustaining a weekly practice of reading thinking and writing It s an optimistic encouraging book that will motivate you to keep reading and most importantly keep writing

Structuring Your Novel K. M. Weiland, 2013 Acclaim for Structuring Your Novel I have long wished for a book like this Structuring Your Novel is so much more than a writing craft book it s a recipe to help writers structure a deep meaningful journey for their hero that will captivate readers from beginning to end Angela Ackerman Author of *The Emotion Thesaurus* There is absolute gold in this book and I am grateful that the author has a real talent for distilling some of the somewhat clunky information found elsewhere into really simple to understand and easy to follow techniques Robert Scanlon This book shows a writer how to structure their novel from beginning to end in a no nonsense manner It s fast and easy reading and MAKES SENSE Carrie C Spencer About the Book Is Structure the Hidden Foundation of All Successful Stories Why do some stories work and others don t The answer is structure In this IPPY and NIEA Award winning guide from the author of the bestselling *Outlining Your Novel* you will learn the universal underpinnings that guarantee powerful plot and character arcs An understanding of proper story and scene structure will show you how to perfectly time your story s major events and will provide you with an unerring standard against which to evaluate your novel s pacing and progression Structuring Your Novel will show you How to determine the best techniques for empowering your unique and personal vision for your story How to

identify common structural weaknesses and flip them around into stunning strengths How to eliminate saggy middles by discovering your centerpiece Why you should NEVER include conflict in every scene How to discover the questions you don't want readers asking about your plot and then how to get them to ask the right questions Story structure has enabled countless bestselling and classic authors Now it's your turn More Praise for Structuring Your Novel K M Weiland delivers another exceptional resource for writers offering practical guidance on everything from crafting a book's hook to its resolution Elizabeth Spann Craig Author of the Myrtle Clover Mysteries Structuring Your Novel will give you the blueprint for making your story more powerful I'm taking this one with me to my desert island Jennifer Ibarra After finishing the book I reviewed my own writing and was easily able to see where the story wasn't working understand why it wasn't and figure out what I needed to do to fix it Abby Geiger More storytelling assistance from K M Weiland Outlining Your Novel Map Your Way to Success Can outlining help you write a better story **Outlining Your Novel Workbook** K. M. Weiland, 2014-11-12 Learn How to Make Your First Draft Easy Award winning author K M Weiland's previous book the bestselling Outlining Your Novel showed writers how to embrace outlines in a way that makes the writing process fun inspiring and easy Now it's time to put those lessons to use Building upon the principles you've already learned the Outlining Your Novel Workbook presents a guided approach to getting the bones of your story down on paper identifying plot holes and brainstorming exciting new possibilities Containing hundreds of incisive questions and imagination revving exercises this valuable resource will show you how to Create your own personalized outlining process Brainstorm premise and plot ideas Discover your characters Choose and create the right settings Organize your scenes And so much more This accessible and streamlined workbook will empower you to create a powerful outline and an outstanding novel Start writing your best book today [Nine Day Novel-Outlining](#) Steve Windsor, 2015-04-15 Outlining your novel doesn't have to be hard But when was the last time you sat down to write with the confidence and true belief that you knew exactly what story you were going to tell Where do you start your first novel If you're like I was you started writing with no idea where your story was headed Believe me two books and almost 500 000 words into that process I had to stop and re-evaluate my strategy Now before I commit the time and energy to pen a 90 000 word novel I make a map I wrote these Nine Day Novel books after I realized how difficult it was for new fiction authors to plot write edit and publish their first novel This book is a roadmap to get you beyond the theory and into the practicality of putting words on the page in the right order Being a committed newbie author isn't easy Some scoffed at me when I said you can write a novel in nine days Then I sat down and did it 4 times Now literally thousands have read my book on writing describing how to carve out time and write faster by using story structure and the second book on how to streamline the fiction editing process with Scrivener But I made a mistake with those first two books Plenty of you emailed me and told me as much Steve shouldn't you have started with outlining How am I supposed to write 90 000 words of a story when I have no clue where it's headed Though I detailed the Four Part Story Structure inside NDN Writing the point was taken outlining and

plotting your novel is a difficult task that deserves a more in depth discussion In *Nine Day Novel Outlining* I ll detail Why you should outline your novel How to generate ideas and inspiration for your novel Whether you should weave your own story into your first novel How to turn your ideas into high concept stories The top ten novel themes and popular variations of them How to keep track of settings vocabulary and characters How and why you should create multiple summaries for your novel Don t write another book by the seat of your pants I ll show you a step by step milestone oriented way to ensure that your hero has a worthy journey before you write the opening line of your novel I promise you that if you follow the outlining tips examples and structure in this book your next novel will get planned and plotted better than it would have otherwise You ll feel more confident in your story before you start and experience less writer s block trying to figure out where to take your hero next And as always I ll do all of that inside my favorite storytelling structure the Four Part Story Structure And since it s hard for me to imagine writing more efficiently without it I ll introduce you to my favorite writing software Scrivener The bonuses for the series are more than worth the price of the books Bonus writing tools like Four Part Story Structure starter file as a fill in the blanks Scrivener file Editing videos detailing how I self edit before working with editors right inside Scrivener And for this book a beat by beat example outline for *Dixon Teen Witch* a novella that I m co authoring with a newbie fiction writer outlining it beforehand using this very book Also as a Scrivener starter file But the real world real writing advice in these books has helped hundreds re energize their writing and rekindle their love for storytelling by giving them the tools to write with confidence All you have to do to get those same results is to read this book If you re struggling to outline your novel scroll up and click **BUY NOW**
