Yara and Xander are both writers on a major TV series. But that's where the similarities end. Yara loves romance, but Xander doesn't see the point. He is only interested in the greats Kubrick, Scorsese, Tarantino. He doesn't have Instagram, hasn't read a book published this century. When they're tasked with writing the season finale together, they know the episode needs them both: romance and drama, head and heart. Can they put aside their differences to create something remarkable? Tropes: Enemies to lovers, Opposites attract, Forced proximity. There's only one bed. Grumpy x sunshine.
