All I Stole From You Ava Bellows, 2022-05-31

For fans of Lily King's *Writers* and *Lovers* comes a captivating debut novel about the complexities of love and the unpredictable bonds that change our lives. Maggie Hoyt is a quick-witted house-sitting LA actress who's dated one too many DJs for her liking. An incorrigible insomniac, she desperately needs more than four hours of sleep according to her therapist. One night while still grieving the death of her ex-boyfriend, Maggie reluctantly attends her friend's boat party. There she meets Rob, a charming British tattoo artist who makes her feel like her best self for the first time in a while. Their attraction to each other is instantaneous and electrifying. There's just one glaring problem: he's wearing a wedding ring. Despite their best efforts, Maggie and Rob can't seem to shake their unwavering feelings for each other. When Maggie unexpectedly receives a letter from Rob's estranged wife, she is forced to confront the love she's been looking for, the guilt she's been harbouring, the grief she's been hiding, and the woman she wants to be. With humour and heart, *All I Stole from You* is a fresh portrait of the pivotal relationships in our lives with our romantic partners, our friends, our family, and most importantly, ourselves.

Exit Path:

How to Win the Startup End Game Touraj Parang, 2022-08-02

An exit strategy, if implemented early, is the surprising secret to ultimate startup success. Find out why and how to develop one in this comprehensive practical guide from veteran Silicon Valley dealmaker Touraj Parang. In 2008, Touraj Parang's award-winning startup, Jaxtr, had 10 million users raised nearly 20 million from top-tier Silicon Valley investors and seemed poised to sail straight through the Great Recession. But by January of 2009, Jaxtr's only hope for survival was to find a buyer—sadly, it was too late for that. In *Exit Path*, Touraj draws on the lessons learned from that chaotic experience and the extraordinary successes that followed once he and the entrepreneurs he advises made creating and executing an exit strategy a top priority. For too long, entrepreneurs have been failing to establish the requisite relationships and properly prepare for the most important milestone in their life cycle: a sale to an acquirer. But in today's hyper-competitive and interconnected business world, that is no longer an option. In this first-of-its-kind comprehensive guide, you'll discover the surprising reasons few startups succeed while many fail, and you'll learn that implementing an exit strategy early will empower you to take charge of your startup's ultimate fate, maximizing its potential for success while mitigating the risks of failure. Arranged in four sequential parts, *Exit Path* walks you through actionable steps to devise and execute an effective exit strategy, starting with a fresh new perspective on the critical importance of creating a viable sale option for your startup. You'll learn why creating your exit strategy is necessary well before you're contemplating an exit, regardless of the stage of your startup. You'll also discover how to create your own exit plan, how to make your plan a reality through personal and business relationships, and how to approach and negotiate with acquirers for
