At first But when Nancy reaches the school gates she learns that beneath the quaint village atmosphere is a minefield. And after her daughter clashes with her school friends Nancy quickly finds herself outside the whispering circle of parents. As much as Nancy finds the playground politics absurd they soon become impossible to ignore when Lara is accused of hurting another girl. Desperate to clear Lara's name Nancy is about to learn just what lengths a parent will go to for their child. Praise for the number one bestselling author Michelle Frances.
