Notes from a Postman - A Collection of Poems, Thoughts, and Prayers Jonathan C. Hyatt, 2020-02 An inspirational book based upon the author Jonathan C Hyatt's spiritual journey as a Christian youth throughout his adulthood As a youth Jonathan learns to unlock his heart by writing his thoughts and prayers in his letters to God however as a young man life soon gets busy for Hyatt and he rarely finds the inspiration to write His letters remain saved tucked away in a cedar chest almost forgotten Several years pass and his pen remains silent At last through the spontaneous kindness of a young boy named Abel Hyatt receives his inspiration to write once again Suddenly he begins to write his thoughts reflections and prayers intertwined with Bible passages which speak to his heart Inspiration later comes through his own personal struggles and his wife's battle with cancer Encouraged by his family and friends Hyatt's writing collection becomes a book which he hopes will inspire many people to a closer walk with God in their spiritual journey **It Takes a CEO** Leo

Hindery, 2005-11-07 Should CEOs act as moral compasses for their companies Leo Hindery thinks they should If every CEO did so then Enron WorldCom Adelphia and Tyco would not have become poster children for greed They would not have become corporate embarrassments living illustrations of all that can go wrong in the corner office How did these once prestigious companies fall off the ethical cliff How is it that reputations were destroyed shareholders lost value employees in many cases lost everything and in a few cases entire companies disappeared Everyone is pointing fingers and the new widespread mistrust of public companies may turn out to be more damaging to America's economic future than the billions actually lost in the scandals Now one of America's most prominent corporate leaders illuminates the need for more integrity and less greed among executives In a scathing examination of why leaders have lost their way Leo Hindery speaks out on the role of the CEO Does the corporate culture have to be driven by greed Or can you do good and still make good in the big business world Leo Hindery the former CEO and President of companies such as AT T Broadband TCI and the YES Network and currently Managing Partner of InterMedia Partners forcefully advocates approaching a business career as life's meaningful work and not merely as a way to accumulate personal wealth Both fiery and optimistic Hindery calls upon his fellow executives to conduct themselves with the kind of integrity that used to be commonplace but now seems all too rare Holding his moral yardstick up to some of the worst transgressions in recent memory Hindery tackles the toughest issues of the day head on Why should the ratio of average CEO pay to average employee pay today be 304:1 and in some cases as high as 2:300:1 What does it mean when 80 percent of all viewed media content is owned by just 5 companies If offshoring is good for the global economy what needs to be done to make it fair What should the role of the board of directors be and whose job is it to take care of employees With passion insight and humor Hindery reinvigorates the code of business conduct It Takes a CEO is a corporate handbook for our times not for how to get ahead but for how to lead with integrity grace and heart
