Memes For Mummyji Santosh Desai,2025-11-27 A portrait of India in mid sentence caught between tradition and transformation noise and nuance From selfies and what they mean to the travails of modern love and the new vocabulary of politics Santosh Desai returns to chronicle the invisible revolutions of Indian life with his signature wit and insight In Memes for Mummyji he explores how the mobile phone now as common as the pressure cooker has quietly reshaped everything how we shop flirt pray protest and parent This is not a book about technology It s about us Our habits our contradictions our new found freedoms and the deep cultural software that still runs underneath Warm keenly perceptive and deeply human this book with essays drawn from over a decade of observation is a love letter to the everyday theatre of Indian life in the digital age
