## **Mummy Where Are You:**

*Mummy, Mummy, Where Are You?* Giuliano Ferri, 2012-10-01 Peter Bunny can't find his mum. Maybe she's hiding behind a rock. Or resting in the barn. But everywhere he looks he finds plenty of friendly faces just not the one he most wants to see.

**Mummy, Where Are You?** Charmaine Oates, 2021-07 Mummy Where are you Today is Charlie's favourite day of the week it's stay at home with Mummy day. But it's Mum's only day off from work and she has a lot to do. Moving from room to room Mummy is too quick for Charlie to keep up. Finding Mummy and joining in the fun is now the game of the day. **The Mummy's Ransom** Fred Hunter, 2014-09-16 The Mummy's Ransom by Fred Hunter. A controversial exhibit of Chinchorro mummies is about to open in Chicago at Dolores Tower the latest building by the equally controversial local developer Louie Dolores. The mummies dating from 2000 to 7000 BC are incredibly fragile making their transportation and display very risky. Even worse the pending exhibition is being protested by a group who regard the exploitation of the mummies to be desecration of their ancient dead leading to both tension and excitement over the coming opening. Lucky for Chicago Police Detective Jeremy Ransom none of this has anything to do with him. He figures as long as he can keep his friend the elderly Miss Emily Charters away from the opening then there won't be a murder and he won't have to get involved. But first there are reports that a mummy is moving around the exhibit at night then there are death threats against the developer and when one night alone in the exhibit Louie Dolores is attacked by one of the mummies Ransom is assigned to find out what's going on. With the sharp wits and intelligence of Emily at his beck and call Ransom has to sort out the truth in what could be his strangest assignment ever before the a volatile situation turns fatal. **The Mummy! A Tale of the Twenty-second Century** Mrs. Loudon (Jane), 1872 **My Child, the Algorithm** Hannah Silva, 2024-08-27 Hannah Silva's My Child the Algorithm is one of the best books I read this year. Merging the cozy familiarity of child rearing with the mysterious tension of AI she has created a new genre of personal narrative and a story whose grief, hope and curiosity takes on poetic spiritual dimensions even when exploring the most common chambers of the human heart. Michelle Tea author Knocking Myself Up My Child the Algorithm tells a story of finding joy after betrayal. Like a male seahorse Hannah Silva carried a baby made from her partner's egg. But when she gave birth her partner left and Hannah found herself navigating life alone with her child. Hannah started playing with a precursor to ChatGPT wondering what AI could tell us about love. To her surprise she was moved by the results. The algorithm prompted Hannah to share her explorations of dating, sex, friendship and life as a queer parent in London. With the help and disruption of two unreliable narrators a toddler and an algorithm Hannah deconstructs her story unraveling everything she has been taught to want and finds alternative ways of thinking, loving and parenting today.
