

My autobiography

ME. My name is Adela. I'm 17 years old. I'm clearly Mexican and I was born there in Autopuerto on May 25th in 1995. I'm a very positive person; I try to smile all the time, even if I don't feel like it. I love to travel. My favorite dessert is macarons. My favorite TV shows are: Gossip Girl and The Simpsons. And I consider myself an unorganized person.

FAMILY. I live with both of my parents and I have a really good relationship with them. But my relationship with my mom is very special because we trust each other a lot, we tell each other everything and I know I can count on her anytime. I have two older brothers and even though we fight a lot we get along very well.

FRIENDS. I know most of my best friends in high school. I really love to be around them. I always have a lot of fun and I think I have a lot of best friends.

EDUCATION. I've always considered myself as a good student. I care, sometimes too much, about getting good grades, but I think it's the best.

GOALS. My main goals for now is to graduate and go to the best college I can get in, and I would love to go study abroad to teach in I can. I want to be successful in my career and to go live and work in NYC. After having a successful career, I want to have 7 or 8 children and live happily ever after with my charming prince.

PHRASE. "Follow your heart and your dreams will come true".
