November Memo Geography 2013:

Exeter's University Prof. Jeremy Black, 2019-05-02 Tracing the development of the University of Exeter over the six decades since it was granted its royal charter in 1955 this book tells the history of the institution and its community Jeremy Black draws on a wide range of resources from archival material to the personal recollections of staff and students He records and analyses the story of the university as it engaged with the need to expand and evolve while responding to constant financial and political pressures The book includes interviews with leading university figures contributions from former students and a postscript looking to the future It charts the University of Exeter's changing place in the world of higher education from the author's Preface In 2013-14 I wrote *The City on the Hill A Life of the University of Exeter* which was published in 2015 as part of the university's Diamond Jubilee That extensively illustrated and very heavy book is a worthy memorial This is a different book it draws on some additional research while the opportunity to rewrite the study and bring it up to date has proved welcome The work has been greatly eased by the great friendship and wonderful co-operation I have encountered Staff and students past and present have given much time to pass on information and opinion to answer questions and to read and comment on drafts

Ethnic Relations in Post-Soviet Russia Andrew Foxall, 2014-10-03

While the collapse of communism in Russia was relatively peaceful ethnic relations have been deteriorating since then This deterioration poses a threat to the functioning of the Russian state and is a major obstacle to its future development Analysing ethnic relations in the North Caucasus this book demonstrates how a myriad of processes that characterised post-Soviet transition including demographic change economic upheaval geopolitical instability and political re-structuring have affected daily life for citizens It raises important questions about ethnicity identity nationalism sovereignty and territoriality in the post-Soviet space
