Now It Can Be Told:

Now It Can Be Told Philip Gibbs, 2022-09-04 In *Now It Can Be Told* Philip Gibbs offers a candid and unvarnished portrait of World War I which stands out in stark contrast to the sanitized versions that were permissible under wartime censorship. Gibbs masterfully employs a rich journalistic prose style that captures the harrowing experiences and untold stories of soldiers on the Western Front. His work is not only a literary accomplishment but also a piece of historical journalism that has significantly contributed to the contemporary understanding of the Great War. Within the literary context, his narrative breaks free from the constraints of his time, providing a raw and essential account of the true costs of conflict. Philip Gibbs, an esteemed war correspondent, bore witness to the atrocities of the First World War through which he experienced the indelible traumas and heroism of the battlefield firsthand. This direct exposure to the horrors of war informed his reflective and compassionate approach in documenting the lives of soldiers and civilians affected by the conflict. Gibbs's narrative is fuelled by an urgency to reveal the truths that wartime censorship had suppressed, a testament to his commitment to journalistic integrity and transparency. The book comes highly recommended for readers with an interest in military history, journalism, and the literature of war. Gibbs's *Now It Can Be Told* transcends its own era to resonate with contemporary audiences seeking a deeper understanding of the human condition amidst the chaos of war. It is an essential read for anyone who wishes to grasp the reality of warfare beyond the romanticism and valor often depicted, unveiling the courage, tragedy, and sometimes the mundanity of life on the front lines.

NOW IT CAN BE TOLD A. N. Bali, 1949 The hundreds and thousands of unfortunate Punjabees, Sarhadees, and Sindhies who putting faith in the statements that everything will stand still, tarried too long behind and perished in the conflagration, unwept, unsung, unhonoured, but certainly not unremembered.

Now It Can Be Told Philip Gibbs, 2020-01-25 In this book, I have written about some aspects of the war which I believe the world must know and remember, not only as a memorial of men's courage in tragic years, but as a warning of what will happen again, surely, if a heritage of evil and of folly is not cut out of the hearts of peoples. Here it is the reality of modern warfare, not only as it appears to British soldiers of whom I can tell, but to soldiers on all the fronts where conditions were the same. What I have written here does not cancel, nor alter, nor deny anything in my daily narratives of events on the western front as they are now published in book form. They stand, I may claim sincerely and humbly, as a truthful, accurate, and tragic record of the battles in France and Belgium during the years of war, broadly pictured out as far as I could see and know. My duty then was that of a chronicler, not arguing why things should have happened, so nor giving reasons why they should not happen, so but describing faithfully many of the things I saw and narrating the facts as I found them, as far as the censorship would allow. After early hostile days, it allowed nearly all but criticism, protest, and of the figures of loss. The purpose of this book is to get deeper into the truth of this war and of all war, not by a more detailed narrative of events, but rather as the truth was revealed to the minds of men in many aspects out of their experience and by a plain

statement of realities however painful to add something to the world's knowledge out of which men of good will may try to shape some new system of relationship between one people and another some new code of international morality preventing or at least postponing another massacre of youth like that five years sacrifice of boys of which I was a witness Taken from Now It Can Be Told written by Philip Gibbs **Now It Can Be Told (Classic Reprint)** Philip Gibbs, 2017-09-12 Excerpt from Now It Can Be Told IN this book I have written about some aspects Of the war which I believe the world must know and remember not only as a memorial Of men's courage in tragic years but as a warning Of what will happen again surely if a heritage Of evil and Of folly is not cut out Of the hearts Of peoples Here it is the reality of modern warfare not only as it appears to British soldiers Of whom I can tell but to soldiers on all the fronts where conditions were the same What I have written here does not cancel nor alter nor deny anything in my daily narratives Of events on the western front as they are now published in book form They stand I may claim sincerely and humbly as a truthful accurate and tragic record Of the battles in France and Belgium during the years Of war broadly pictured out as far as I could see and know My duty then was that Of a Chronicler not arguing why things should have happened so nor giving reasons why they should not happen so but describing faithfully many Of the things I saw and narrating the facts as I found them as far as the censorship would allow After early hostile days it allowed nearly all but criticism protest and Of the figures Of loss The purpose Of this book is to get deeper into the truth Of this War and Of all war not by a more detailed narrative Of events but rather as the truth was revealed to the minds Of men in many aspects out Of their experience and by a plain statement Of realities however painful to add something to the world's knowledge out Of which men Of good will may try to shape some new system Of relationship between one people and another some new code Of international morality preventing or at least postponing another massacre Of youth like that five years sacrifice Of boys of which I was a witness About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **NOW IT CAN BE TOLD - A War Observer's Illumination Bomb** Philip Gibbs, 2017-02-23 In this book I have written about some aspects of the war which I believe the world must know and remember not only as a memorial of men's courage in tragic years but as a warning of what will happen again surely if a heritage of evil and of folly is not cut out of the hearts of peoples Here it is the reality of modern warfare not only as it appears to British soldiers of whom I can tell but to soldiers on all the fronts where conditions were the same What I have written here does not cancel nor alter nor deny anything in my daily narratives of events on the western front as they are now published in book form They stand I may claim sincerely and

Now It Can Be Told Introduction

In today's digital age, the availability of Now It Can Be Told books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Now It Can Be Told books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Now It Can Be Told books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Now It Can Be Told versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Now It Can Be Told books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Now It Can Be Told books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Now It Can Be Told books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Now It Can Be Told books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
