Managerial Accounting The Managerial Chapters present the core content and principles of accounting in a fresh format designed to help today's learners succeed. As teachers first, the author team knows the importance of delivering a reader experience free of obstacles. Their pedagogy and content use leading methods in teaching readers critical foundational topics and concentrates on improving individual results all tested in class by the authors themselves. With this in mind, the 6th Edition continues to focus on readability and comprehension and takes this a step further in the managerial chapters by employing a new theme to help readers see how managerial accounting is used as a tool to help all business people make decisions. By providing more meaningful learning tools, this title helps readers clear hurdles like never before. Also available with MyLab Accounting, MyLab™ Accounting is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results.
