

Host family letter

Hello future host family!

My name is Daniella, and I want to be your au pair! I've known for many years that I wanted to go to USA and be an au pair. I want to go because I really love working with children and also because I am very fascinated by your country. I was in the US when I was 6 years old to visit our family friends, and ever since then, I've always known that I want to come back!

In my family we've been traveling a lot, and I've always been inspired by that. My sister Nadia spent a year in Australia and my brother Nicholas spent a year in Spain, and now I think it's time for me to go on my own and new adventure. And what could possibly be better than combining taking care of children and living abroad for one year?

I come from a family of five. Me, my older sister, my older brother and my mom and dad. And of course, my dog Charlie. In my family we are often on the move and are always trying to get new experiences. I guess I've got that from them, since I am exactly the same. We all love animals, exercise and sports, food and cooking and our common favorite – travelling. We are all very close, even if my two siblings have moved out, and we all value family time whenever we get the chance.

When I come and join you and your family, I want to come, not only as your employee, but also as your new family member. I believe that family is one of the most important things in our lives, so how great wouldn't be to have two families? One in Sweden, and one in the US.

I would be a good au pair because I am a very committed and humble person. I always try to do my best for everyone, and I always give as much love and support as I possibly can. I think your children would like me because I am creative, outgoing,
