A Day at the Beach

Tyler was a nice boy who lived with his small family: his father & his mother. It was early summer and the weather was really hot. Tyler's mum told him that on Saturday they would be going to the beach. "Be ready for next Saturday. We will spend a day at the beach," Mum promised. Tyler started jumping up & down with excitement. Dad had to work so he wasn't going to be able to go with them to the beach.

The beach was near Tyler's home. Mum said they would spend the day swimming and the big treat of eating dinner in a restaurant would end their busy day. When they arrived at the beach, Tyler helped his mum unload the beach blankets, his sand toys and some snacks. Mum found a good spot on the sand that was close to the water then she put the blankets down and set up some chairs. Sitting close by them was a boy about Tyler's age. He came over and said his name was Gary and asked Tyler if he wanted to build a sandcastle with him. "Sure!" said Tyler. His mum began talking to Tyler's mum about school, work and things mum usually talk about.

The boys built a great sandcastle. They decided to head for the water. "Be careful," shouted Gary's mother. "We will," Gary shouted back. The boys were running in and out of the water and jumping through the waves laughing. They were having a great time. Suddenly, they ran to jump in a big wave but Tyler could not find Gary. Tyler looked around and finally saw him waving his hands yelling for help. Tyler remembered the lifesaving skills he learned during his swimming class. "I've got to get to Gary,"
