The content of this book is based on the content of the urbanTick blog between 2008-2010. One year blogging about this topic brought together a large collection of different aspects and thoughts. It is not at all a conclusive view; the opposite might be the case; it is an exploratory work in progress while trying to capture as many facets of the topic as possible. **Information Needs of Communities** Steven Waldman, 2011-09.
