Multiple Choice Study Guide For Macbeth:

Shakespeare for Young People Abigail Rokison-Woodall, 2015-01-01 The search to find engaging and inspiring ways to introduce children and young adults to Shakespeare has resulted in a rich variety of approaches to producing and adapting Shakespeare's plays and the stories and characters at their heart. *Shakespeare for Young People* is the only comprehensive overview of such productions and adaptations and engages with a wide range of genres including both British and American examples. Abigail Rokison covers stage and screen productions, shortened versions, prose narratives and picture books, including Manga animations and original novels. The book combines an informative guide to these interpretations of Shakespeare with critical analysis of their relative strengths. It also includes extensive interviews with directors, actors and writers involved in the projects discussed.

Leverage

Leadership Paul Bambrick-Santoyo, 2012-06-06 Paul Bambrick Santoyo Managing Director of Uncommon Schools shows leaders how they can raise their schools to greatness by following a core set of principles. These seven principles or levers allow for consistent transformational and replicable growth. With intentional focus on these areas, leaders will leverage much more learning from the same amount of time investment. Fundamentally, each of these seven levers answers the core questions of school leadership: What should an effective leader do and how and when should they do it? Aimed at all levels of school leadership, the book is for any principal, superintendent, or educator who wants to be a transformational leader. The book includes 30 video clips of top-tier leaders in action. These videos bring great schools to you and support a deeper understanding of both the components of success and how it looks as a whole. There are also many helpful rubrics, extensive professional development tools, calendars, and templates. Explores the core principles of effective leadership. Author's charter school, North Star Academy in Newark, New Jersey, received the highest possible award given by the U.S. Department of Education, the National Blue Ribbon. Print version includes an instructive DVD with 30 video clips to show how it looks in real life.
