Carol A. Poore, Ph.D., 2023-02-21
Are you ready for the metaverse and what it will take to be an effective human leader in multiple immersive digital physical worlds? Leadership in the Metaverse will help you transform Web3, also called WebMe, into WebWe. The metaverse, a more immersive internet, is evolving rapidly. Leadership in the Metaverse shares a new playbook to help you develop essential leadership skills needed to bridge our forever hybrid digital physical human life on planet Earth and build cohesive communities of strategy and impact. While the metaverse is being described as Web3 and WebMe, Dr. Carol A. Poore addresses head on both metaverse innovation and expected societal challenges. She provides deep insight about leadership, participative strategy, and community building, and essential communication skills so you can be prepared to lead in a metaverse world where virtual reality, 3D holograms, and human avatars will fascinate, captivate, and permanently change the way we live, work, and play. Leadership in the Metaverse will help you Maximize the metaverse as a human relationship building tool. Bring people and communities closer together rather than further apart. Bond, bridge, and link hybrid worlds to build cohesive teams, work groups, organizations, boards of directors, and communities. Communicate effectively, connecting people with your organization's purpose and future. Build Big C communities that lead to action and results that matter. Dr. Carol A. Poore, author, speaker, and strategist, has been delivering effective leadership and transformational strategic planning results for more than 25 years. She has served in corporate, higher education, and nonprofit senior leadership and chief executive positions, led community planning initiatives, and has advised small businesses, nonprofits, local community organizations, and government entities during legacy shaping times of change through her consultancy, Poore Associates. She serves on the faculty at Arizona State University. Dr. Poore is the author of Strategic Impact: A Leader's Three Step

Framework for the Customized Vital Strategic Plan Fast Company Press and Building Your Career Portfolio Cengage Learning published in English German and Korean Gaming and Gamers in Times of Pandemic Piotr Siuda, Jakub Majewski, Krzysztof Chmielewski, 2024-01-11 This edited collection brings in multiple scholarly perspectives to examine the impact of the pandemic and resulting government policies especially lockdowns on one particular cultural sphere games. The COVID 19 pandemic has impacted virtually every aspect of our lives regardless of where we live. In the initial months many industry reports noted the unexpected positive impact on online digital game sales. Games were not just lockdown proof but boosted by lockdowns. Stay at home orders triggered a rush toward games as an alternative form of entertainment and the ubiquity of mobile phones allowed wider than ever participation. Gaming and Gamers in Times of Pandemic studies how the COVID 19 pandemic affected game players, game developers, game journalists, and game scholars alike in many other ways starting with the most direct illness and sometimes death. Some effects are temporary others are here to stay.
