Lose the Emotional Baggage Robert Dave Johnston, 2014-09-21 This book is Volume 5 of the series How To Lose Weight Fast And Renew The Mind Body the world is getting crazier and crazier and as such our lives are becoming more stressful full of demands and activities while uncertainty looms in the back of our minds Am I going to make it For how much longer can I take this pain If you have been suffering be it from depression the loss of a loved one a downturn in your economy or anything else I am here to tell you that there IS a POWER that can take your whole life in His hands heal you restore you rejuvenate you and fill you with fresh hope and optimism I don t tell you these things because I saw a movie I share with you because I myself was in the dark corner of isolation hopelessness deep grief despair I felt as though I had a knife stuck to my chest all day every day from the moment I got up I ll talk much more about that on my upcoming book on depression Needless to say while at times it may look bleak there IS hope for inner healing and restoration so that you can ponce again feel the peace and joy that is rightfully yours If there are wounds in your heart that you ve carried for years the kind of wounds that inflict ongoing emotional pain I am here to tell you that I love you I understand you and I am right here with you Even better over the years of fasting and spiritual growth me and my mentor John Benitez may he rest in peace put together a very powerful program of recovery for those of us who hurt I m not going to bombard you with a lot of religion I will speak to you in spiritual terms that you will understand without feeling like you are being preached at I hate that Fasting is a powerful way to lose lots of weight quickly and help the body heal and detoxify In addition fasting opens the doors to the invisible world of the soul and subconscious mind which when harnessed correctly can help you to experience deep emotional healing as well as spiritual revelation and understanding In *Lose The Emotional Baggage Transform Your Mind Spirit With Fasting* I take you step by step through the Ultimate Freedom Formula which helped me to find healing from more than 20 years of crippling depression and binge eating disorder If you struggle with recurring negative emotions and destructive behaviors and or addictions then this book gives you a practical and effective formula that will allow you to tap into the huge invisible power that fasting always provides The material is presented in a straightforward non religious format so you will be able to carry out the formula even if you have no spiritual beliefs and are

an agnostic If you can maintain an open mind and become willing to simply observe the possibility that maybe there is something to this fasting practice then that is more than enough to crack the door open just enough receive tremendous transcendental benefit Welcome to a place where the impossible becomes possible May you receive your healing and may your life be filled with power joy and a peace beyond understanding

Science of Fasting for Healthy Body and Mind Ram Babu Sao, 2025-05-31 Fasting has been used for the body to get rid of waste buildup and also for religious and spiritual purification for centuries This book Science of Fasting for Healthy Body and Mind is very fascinating and an exasperating with its simplicity and its vastness Nearly every religious text from the Old and New Testaments of the Upanishads as well as Bible to the Quran calls upon followers to fast periodically as a rite of spiritual purification penitence or preparation for union with God Fasting advocates and claims that the practice can effectively treat serious health conditions like diabetes constipation arthritis and colitis to heart disease and depression In his practice he has seen fasting combined with improving the diet before and afterwards which eliminates lupus arthritis and chronic skin conditions like psoriasis and eczema He says he has also seen fasting heal the digestive tracts of those with ulcerative colitis and Crohn's disease and lower blood pressure Fasting followed by a vegetarian diet interferes with the immune system's activities especially if the immune system is overreacting as it does with and other autoimmune diseases He cites half a dozen studies published in medical journals ranging from the American Journal of Physiology Endocrinology and Metabolism to the Scandinavian Journal of Rheumatology Studies published in The Proceedings of the National Academy of Sciences and The Journal of Nutrition in 2003 showed that human beings forced to fast every other day while eating twice the normal amount of food on non fasting days had better insulin control neuronal resistance to injury and other health indicators than people fed calorie restricted diets Fasting may yield psychological benefits as well
