Category	4- Advanced	3- Proficient	2- Basic	1- Below Basic
Focus	My writing is clear and completely answers all parts of the prompt. I did not forget or lose the main idea when I added details.	Sometimes my writing moved away from the main point of focus of the prompt. Sometimes my details do not relate to the prompt and made my ideas confusing.	My writing is not clear and I drifted away from the prompt.	I did not stay focused on the topic or prompt. My writing is very difficult to understand when I re-read my work or when someone else reads my work.
Content	I used important details and information. I developed my ideas and made sure all of my sentences connected to the prompt.	I used some details to support my topic, but I needed to add more information and supporting details.	I needed to use more details to make my writing complete.	I did not use details or ideas to support my topic or response.
Organization	I wrote a strong introduction, body, and conclusion. I used appropriate transitions to connect my ideas.	I needed to put my story in order. I needed to strengthen all portions of my response. I needed to use more transition words to make my ideas flow.	I did not organize my response. I was missing paragraphs. My writing seems more like an outline than complete paragraphs. I did not use transition words.	I had no introduction, body, or conclusion. I have many mixed-up ideas. I did not use transition words.
Style	I used descriptive words that help readers "see" my ideas. My sentences varied in length, word usage, and structure. My tone and voice are consistent.	Most words address the prompt. I should choose a wider variety of words. I did not use different types of sentences. Tone and voice are not always consistent.	I used few descriptive words. I had little sentence variety. The tone and voice are not consistent.	I used no descriptive words. My sentences all begin with the same word or are not complete. There is no consistent tone or voice.
Conventions	I had few, if any, errors in spelling, grammar, and punctuation. My writing is neat and legible.	I made a few errors in spelling, grammar, and punctuation, but my meaning is still clear and understandable.	I had many mistakes in spelling, grammar, and punctuation. Sometimes my writing is hard to read.	My writing had so many mistakes that it is difficult to read or understand.

Rubrics for Assessing Student Achievement in Science Grades K-12 Hays B. Lantz, 2004-02-06 I recommend *Rubrics for Assessing Student Achievement in Science Grades K 12* to any school district that is moving toward a standards based curriculum. It will serve as a valuable tool for assessing student learning. Grace Cisek, Director of Mathematics and Science Curriculum, Chester County Intermediate Unit PA. At last, science educators will now be able to use custom made rubrics to assess and evaluate student performance in the standards based science classroom. Combining clarity, detail, utility, and practicality, veteran educator and author Hays B. Lantz Jr. offers the most complete collection of evaluation and assessment tools in science education available today. This concise handbook was designed to improve the quality and uniformity of evaluation as well as assessment of student progress. Written in language appropriate for both students and teachers in grades K 12, there are over 100 ready to use performance lists, holistic rubrics, and analytic rubrics that contain clear descriptions of the particular traits and qualities desired in student products and performances. Key features distinguishing this book include: Scoring tools for a wide range of products and performances found in effective science classrooms and programs; Assessment tools that differentiate by learning levels, providing a scaffolding of increasingly complex expectations across the grades; Years of extensive field testing of the evaluative criteria. *Rubrics for Assessing Student Achievement in Science Grades K 12* is a valuable resource that will help to measure what students know and are able to do in the science classroom. It will yield more consistent and defensible judgments, more precise feedback, and sharper student learning and performance.

Teaching Writing in Middle and Secondary Schools Jim Blasingame, John H. Bushman, 2005 *Teaching Writing in Middle and Secondary Schools* provides research based and standards based strategies as well as classroom tested activities all in one book. Covering the core fundamentals of exemplary practices in the teaching of writing, this book demonstrates writing processes and the use of rubrics with authentic samples taken directly from students' writing portfolios. Readers are also given valuable information on teaching grammar and spelling, curriculum planning, service learning, and community and parental involvement all through the lens of teaching writing.

How to Create and Use Rubrics for Formative Assessment and Grading Susan M. Brookhart, 2013-01-11 What is a rubric? A rubric is a coherent set of criteria for student work that describes levels of performance quality. Sounds simple enough, right? Unfortunately, rubrics are commonly misunderstood and misused. The good news is that when rubrics are created and used correctly, they are strong tools that support and enhance classroom instruction and student learning. In this comprehensive guide, author Susan M. Brookhart identifies two essential components of effective rubrics: 1) criteria that relate to the learning, not the tasks that students are being asked to demonstrate; and 2) clear descriptions of performance across a continuum of quality. She outlines the difference between various kinds of rubrics, for example, general versus task specific and analytic versus holistic, and explains when using each type of rubric is appropriate and highlights examples from all grade levels and assorted content areas. In

addition Brookhart addresses Common misconceptions about rubrics Important differences between rubrics and other assessment tools such as checklists and rating scales and when such alternatives can be useful and How to use rubrics for formative assessment and grading including standards based grading and report card grades Intended for educators who are already familiar with rubrics as well as those who are not this book is a complete resource for writing effective rubrics and for choosing wisely from among the many rubrics that are available on the Internet and from other sources And it makes the case that rubrics when used appropriately can improve outcomes by helping teachers teach and helping students learn
