Netflix Review:

Netflix's Ripley Joy McEntee, 2025-11-19 This book traces the intertextual genealogy behind Netflix's new series *Ripley* directed by Steve Zaillian and offers a critical examination of Tom Ripley's enduring appeal across different media. As the series quickly climbs Netflix's international charts, this volume provides a timely and insightful contribution to the *Ripleyverse*, exploring the character's complex moral and sexual dimensions in today's cultural context. McEntee investigates Ripley's role within the televisual antihero genre, engaging with theories from Jason Mittell's *Complex TV* and Margrethe Bruun Vaage's *The Antihero in American Television*. While Andrew Scott's portrayal of Ripley aims to generate empathy, this book contends that traditional frameworks for understanding antiheroes are insufficient. Instead, it introduces Eric Leake's notion of difficult empathy as a more appropriate model for analyzing Scott's Ripley, offering a fresh perspective on the character's moral ambiguity. This contrasts sharply with Anthony Minghella's 1999 adaptation, where Matt Damon's Ripley elicited a more straightforward emotional response. Readers will discover a nuanced discussion of how Ripley both adheres to and subverts the conventions of the antihero genre and comments self-reflexively on the process of adaptation. The book invites scholars and students of television studies, film, and literature to engage with these themes, providing a rich resource for understanding the evolving landscape of media narratives. Whether you are a scholar of media studies or a curious reader intrigued by the complexities of modern narratives, this book promises to deepen your understanding of the cultural significance of Tom Ripley's latest iteration.

The Discourse of Online Consumer Reviews Camilla Vásquez, 2014-06-19 *The Discourse of Online Reviews* is the first book to provide an account of the discursive, pragmatic, and rhetorical features of this rapidly growing form of technologically mediated communication. Examining a corpus of over 1,000 consumer reviews, Camilla Vásquez explores many of the discourse features that are characteristic of this new user-generated, computer-mediated and primarily text-based genre. She investigates the language used by reviewers as they forge connections with their audiences to draw them into their stories, as they construct their expertise and authority on various subjects, and as they evaluate and assess their consumer experiences. She also demonstrates how reviewers display their awareness about emerging conventions of the very genre in which they are participating. This book adopts an eclectic approach to the analysis of discourse and explores topics such as evaluation, identity, and intertextuality as they occur in online reviews of hotels, restaurants, recipes, films, and other consumer products.

The Routledge Handbook of Indian Indie Cinema Jayjit Sarkar, Anik Sarkar, 2025-04-22 This handbook offers a critical introduction to Indian indie cinema, exploring its subversion of dominant ideas, aesthetics, and narratives; its inclusion of marginal and alternative experiences and ideologies; its relationship with audiences; and its defiance of norms followed by commercial Bollywood cinema. It takes a critical look at independent and alternative films in India that cover a wide range of genres, regions, textual forms, and languages. These films may be regional, experimental in style, or feature innovative and timely sociopolitical interventions. The handbook contextualises this

cinema historically and addresses the key issues concerning its significance A definitive guide to independent Indian films this volume provides acritical understanding of the many experimentations undertaken by alternative voices and filmmakers in India offers new conceptual engagements that widen perspectives on minor and regional cinema and covers a wide range of films while touching upon current and new filmmaking trends emerging cinematic styles film production and key filmmakers These analyses of the Indie film industry and films in India are an essential read for students and researchers of media and film studies film studies cultural studies world cinema and contemporary cinema besides being of interest to film buffs

Judge, Jury and Executioner Alicia M. Goodman,,Matthew J. McEniry,,Ryan Cassidy,2021-09-10 Since the Punisher s first appearance in the pages of Spider Man 129 the character has become one of the most popular and controversial figures in Marvel s vast universe The Punisher represents one of the most recognizable types of anti heroes His iconic skull insignia stands for a unique type of justice protecting the innocent while violently eliminating everyone he sees as a villain This collection examines the Punisher from philosophical perspectives about morality and justice Essays critique the character through the lenses of gender and feminism consider the Punisher s veteran status in relation the Vietnam Afghanistan and Iraq wars and examine how politics and gun violence connect the Punisher s world with the real world Many iterations of the Punisher are examined within including the Netflix release of Marvel s The Punisher comics series such as Punisher MAX Marvel Knights and Cosmic Ghost Rider and several fan fiction stories

Netflix's role in the South Korean over-the-top-video market Mara Kasten,2021-05-19 Seminar paper from the year 2019 in the subject Communications Movies and Television grade 1 0 University of Tübingen Institut f r Medienwissenschaft course Global Media Theory language English abstract This paper discusses on the one hand the South Korean hereafter Korea OTT over the top video market and the struggles of foreign SVOD subscription video on demand services in Korea On the other hand it looks at the distribution of Korean media content in a global context through digital platforms The primary example chosen is Netflix First I will briefly review the selected literature then list the rationale and thesis before explaining why a political economy approach is used and what theoretical framework is applied in the analysis In the main section the objects of analysis are the highly competitive Korean OTT market and the role of Netflix in the distribution of Korean content outside of Korea Finally in the conclusion I will reiterate the rationale and state how I have argued the thesis statement Additionally the main findings will be summarized and the usefulness of the selected theoretical framework evaluated
