Melvin L. Sparks  
Head of Recruitment  
Refinance  
4809 Mill Street  
Arcadia, FL 33821

Dear Melvin,

It is my pleasure to apply for the Financial Analyst position at Refinance. Thanks to my 3+ years of experience as a junior financial analyst and my Bachelor's degree in Economics, I am more than confident that I could make an immediate impact at Refinance.

While earning my degree at the University of Florida, I have gained skills and knowledge that make me a strong candidate for this position, including financial accounting. What is more, my 4.0 GPA and a Dean's List award for two consecutive years should not escape your notice, as I am a dedicated individual striving for excellence in everything I do.

My passion for finance and genuine desire to succeed has led me to apply for this job. I would bring quality customer service, utmost accuracy, and a research-based approach to clients' matters. At KPMG, I initiated and led a business-specific research project for a client, making 3+ recommendations that the client successfully adopted.

Your company's dedication to driving excellence for your clients is admired in the highest circles. There is no higher pleasure than to work for a company that is always opting for the most innovative alternatives in business finance.

I would be eager to discuss how my experience and knowledge could contribute to Refinance's operations. Please let me know when we can schedule a meeting where I would be ready to explain my approach to trend analysis and forecasting.

With best regards,

Ethel J. Ludlum
