**The Report: Nigeria 2024** Oliver Cornock, Nigeria's global strategic importance derives from its position as having both Africa's largest population and economy a reality undergirded by the entrepreneurial drive of its young population. Despite the lingering effects of the Covid 19 pandemic on the economy, aggressive intervention programmes by the Central Bank of Nigeria and support from international partners fuelled a recovery in 2021 with GDP growing 3.6% that year and 3.3% in 2022 after contracting 1.8% in 2020. Growth is projected to drop slightly to 3.2% in 2023.

**The Report: Cote d'Ivoire 2022** Oliver Cornock, After achieving a region leading economic recovery in the decade since political stability was established future growth and industrialisation strategy will continue to be shaped by the National Development Plan 2021-25 which constitutes a holistic approach to achieving emerging market status and meaningful poverty reduction by 2030.

*Metaverse Revolution* Tarun Gowda, 2025-01-03

Despite not being a mainstream topic, the metaverse presents challenges in research methods and communication processes such as digital ownership, collaboration, entertainment, educational materials, and visual representation. The chapters cover various fields where metaverse platforms are currently utilized and their future applications: human computer interaction, media communication, social sciences, psychology, education, and more. Our book aims to provide comprehensive study materials and in-depth research knowledge addressing the growing need for resources in this rapidly evolving field. Keywords: Metaverse revolution, digital transformation, communication, innovation, visual technology, digital ownership, collaboration, educational materials, human computer interaction, social sciences, future applications.

**Luxury Marketing and Brand Strategy** Květa Olšanová, Gina Cook, Marija Zlatić, 2025-09-02  
This text provides a comprehensive and strategic overview of luxury marketing and brand management, guiding brands to balance tradition with innovation as they navigate modern challenges and seize

opportunities in a rapidly evolving global market. The book explores the core aspects of luxury branding including the defining traits of luxury brands, the dominance of major luxury groups and the resilience of independent brands with storied histories. It explores the delicate balance required to maintain a brand's luxury status amidst evolving consumer expectations, technological advancements and sustainability concerns. Students will gain insight into innovative marketing strategies from the use of NFTs and blockchain to the integration of AI and the metaverse in enhancing customer experiences. Offering a clear and engaging pathway through the complexities of luxury brand management, the authors draw on their extensive academic and professional experience presenting a rich blend of theoretical insights and real world global and cross industry case studies from prestigious brands like Cartier, Van Cleef & Arpels, Chanel, Ferrari, Orient Express and many others. This textbook is designed to be the cornerstone for advanced undergraduate and postgraduate courses in luxury marketing and luxury brand management. With a focus on the latest trends and future directions in luxury marketing, *Luxury Marketing and Brand Strategy* is not only an academic resource but also a practical guide for navigating and succeeding in the dynamic luxury market. *Step into the Metaverse* Mark van Rijmenam, 2022-04-29

An incisive glimpse into the future of the internet. In *Step into the Metaverse: How the Immersive Internet Will Unlock a Trillion Dollar Social Economy*, future tech strategist, entrepreneur and thought leader Dr. Mark van Rijmenam delivers a startlingly insightful discussion about how the world as we know it will fundamentally change as the physical and the digital worlds merge into the metaverse, impacting the everyday experiences of people, companies and societies. The author maps out the extraordinary opportunities and challenges facing business leaders, consumers, regulators, policymakers and other metaverse stakeholders trying to navigate the future of the Internet. In the metaverse, you can be who you want to be, where you want to be and companies and consumers are only restricted by their own creativity, how they can benefit from the immersive internet. With engaging commentary on issues ranging from avatars, identity and digital fashion to non-fungible tokens, NFTs, blockchain and the economics of the metaverse, this book also offers discussions on the importance of an open and interoperable metaverse build on the web 3.0 paradigm, if we want to reign in the control of Big Tech over our identity, data and lives. Explorations of the enormous and largely untapped potential for metaverse entertainment, including gaming, music, media and sports, and how brands can engage with their customers in novel ways, and how digital twins will change how we work and innovate. Considerations related to the dangers of an always-on immersive internet, including data breaches, avatar imposters, mental health issues, corporate and state surveillance and the need for metaverse law. A fascinating read you won't be able to put down, *Step into the Metaverse* belongs in the hands of executives, managers and other business leaders who play a role in digital transformation or execution. It's also an invaluable resource for anyone interested in the future of technology, the internet and social interaction.
