The Returning Home Collection Serena Bell, 2022-04-20 Four military heroes Four steamy emotional contemporary romances Four chances to fall in love Hold On Tight Mira Shipley is raising her son by herself far from family and the babysitter has just quit Then salvation appears in the messiest and hottest form possible Sam's real dad who's an Army Ranger Jake never knew he had a son and Sam never knew he had a father Now they're all in close quarters day after day There's no way for Mira to keep the alpha warrior at a distance and no way to protect her son's heart or her own Can't Hold Back Alia Drake loves her new job at the R R veterans retreat But there are certain lines a physical therapist can't cross and she's toeing one Her newest patient is Nate Riordan Alia and Nate have a history and not one she's proud of Alia knows she has to ignore her feelings for Nate and keep her hands where they belong But will she do any better at resisting temptation this time around To Have and To Hold Hunter Cross has lost a year A head injury during his last deployment stole his memories and the beautiful blue-eyed blonde living in his house is little more than a stranger to him He slept with her fell for her loved her and he doesn't remember any of it He knows he should send her away except that at night when she slips into his bed his body remembers hers But what will happen when morning comes Holding Out The answer has to be no of course No way Griff Ambrose is going to help Becca Drake lose her virginity Sure she's beautiful and hot as hell but she's his friend's little sister And Griff won't ever risk being hurt again like he was when he came home from war to find his house empty and his wife gone But how can he resist the woman he's always craved

Beyond the Algorithm Deepa Das Acevedo, 2020-11-05 Qualitative empirical research reveals that the narratives and real life experiences defining gig work have concrete implications for law *Uber* B. Yasanthi Perera, Pia A. Albinsson, 2020-01-16 Uber is one of the most innovative companies of our time This book provides a detailed analysis of the company and its success and goes beyond the headlines about safety and culture Many of us are so accustomed to using Uber today that the name of the innovative ride sharing company has become a verb as in to Uber somewhere and yet Uber has been around only since 2010 Uber has disrupted the ride hailing industry from making it easier and more affordable to become an Uber driver than a cab driver to rating riders as well as drivers As an early pioneer in using technology to create a new business model and new efficiencies Uber is considered one of the most important case studies in the sharing economy However little in depth information exists on this innovative company This book traces Uber's origin and evolution in the face of competitive pressures discusses the company leadership and corporate culture addresses such controversies as rider and driver safety and sexual harassment of female employees and explores how the company is addressing these challenges Students of business entrepreneurs and anyone interested in the development and exponential growth of the sharing economy will benefit from reading this book

A New U Ryan Craig, 2018-09-11 Every year the cost of a four year degree goes up and the value goes down But for many students there's a better answer So many things are getting faster and cheaper Movies stream into your living room without

ticket or concession stand costs The world's libraries are at your fingertips instantly and for free So why is a college education the only thing that seems immune to change Colleges and universities operate much as they did 40 years ago with one major exception tuition expenses have risen dramatically What's more earning a degree takes longer than ever before with the average time to graduate now over five years As a result graduates often struggle with enormous debt burdens Even worse they often find that degrees did not prepare them to obtain and succeed at good jobs in growing sectors of the economy While many learners today would thrive with an efficient and affordable postsecondary education the slow and pricey road to a bachelor's degree is starkly the opposite In *A New U: Faster, Cheaper Alternatives to College* Ryan Craig documents the early days of a revolution that will transform or make obsolete many colleges and universities Alternative routes to great first jobs that do not involve a bachelor's degree are sprouting up all over the place Bootcamps income share programs apprenticeships and staffing models are attractive alternatives to great jobs in numerous growing sectors of the economy coding healthcare sales digital marketing finance and accounting insurance and data analytics *A New U* is the first roadmap to these groundbreaking programs which will lead to more student choice better matches with employers higher return on investment of cost and time and stronger economic growth *Early English Text Society*, 1882 **"The"**

The Top Books of the Year Lyft This Month Returns The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Lyft This Month Returns : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Lyft This Month Returns : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
