advantage over one s rivals In Virginia for example John Smith used his knowledge of Powhatan deathways to impress the local Indians with his abilities as a healer as part of his campaign to demonstrate the superiority of English culture Likewise in the 1610 1614 war between Indians and English the Powhatans mutilated English corpses because they knew this act would horrify their enemies Told in a series of engrossing narratives Death in the New World is a landmark study that offers a fresh perspective on the dynamics of cross cultural encounters and their larger ramifications in the Atlantic world
