**Successfully Managing S/4HANA Projects** Denise Banks-Grasedyck, Eckhard Lippke, Hans Oelfin, Reinhold Schwaiger, Volker Seemann, 2022-03-25 The book describes the complete project process in individual steps for SAP S 4HANA project management based on the SAP ACTIVATE implementation methodology. By imparting knowledge based on experience with real SAP projects the book supports project managers in developing skills and qualifications that will lead them to the successful management of SAP projects. In this context it emphasizes the crucial role of human interaction from the start to the successful completion of projects and provides useful tips on how to recognize and avoid pitfalls. Enriched with a wide range of material such as templates, checklists and practical examples the book provides concrete guidance for project managers and participants on how to successfully manage ongoing projects. The book is valuable for both beginners and experienced project managers and also gives decision makers and stakeholders an excellent insight into the planning and management of large projects.
