**Professional Learning Through Transitions and Transformations**

Judy Williams, Mike Hayler, 2015-10-09 Through a narrative inquiry approach this book examines the personal professional journeys of teacher educators who have undertaken self studies and or researched the professional development of teacher educators The theme of the book is how change through professional transitions and transformations and notably through self study research has shaped the professional identities and practices of these teacher educators Each chapter is an exploration of how the author s became teacher educators in relation to personal and or professional transitions such as transitioning from teacher to teacher educator moving between different institutional and geographic contexts or from changes in philosophical policy and or pedagogical understandings over time Each narrative draws on the author s self study experience and develops their knowledge further by presenting the wisdom they have gained over their career as teacher educators The book concludes with a discussion of the connections between the diverse experiences of the authors and what can be learned from their accumulated wisdom about what it means to become a teacher educator in a dynamic and ever changing educational landscape
