## **Historic Houses of New Jersey** W. Jay Mills,2023-02-06

One of the standard works on notable early houses in the state UNTIL now the State possessing the most inexhaustible supply of colonial Revolutionary and republican souvenirs has been almost neglected Indeed few of the original thirteen States can be compared with New Jersey in the number and importance of its landmarks Her society too was as intellectual as that which sprang from the rocks of Puritanism and it formed a brilliant pageant rivalling the glittering line of the cavaliers There is scarcely an acre of soil in the northern part of the State not once pressed by the foot of the Revolutionary soldier and there are few of the many hundreds of dwellings which have survived the march of a century that did not shelter at one time or another some of the heroes of 76 or the colonial dames and daughters who played scarcely less potent parts in the drama of our struggle for freedom This is the only book to tell the true story of the old houses of New Jersey and such a record possesses deep significance for every American as it has much more than a local or State interest Of the glowing and passionate pictures of early days little more than the frames and the sentiment lingering about them now remain It has been the author's pleasure to fill in the frames with the portraits and the scenes that history and tradition as contained in family recollection in unpublished letters and in local records suggest Anecdote and gossip have supplied him with many a side light on the great figures and their stirring times and their chronicler will be satisfied if his story shall make more real the facts with which fancy delights to play

## **A Dictionary of Literary Pseudonyms in the English Language** T.J.

Carty,2015-12-03 In its first edition Dictionary of Literary Pseudonyms established itself as a comprehensive dictionary of pseudonyms used by literary writers in English from the 16th century to the present day This new Second Edition increases coverage by 35% There are two sequences Part I which now includes more than 17 000 entries is an alphabetical list of pseudonyms followed by the writer's real name Part II is an alphabetical list of writers cited in Part I more than 10 000 writers included providing brief biographical details followed by pseudonyms used by the writer and titles published under those pseudonyms Dictionary of Literary Pseudonyms has now become a standard reference work on the subject for teachers student and public high school and college universal librarians The Second Edition will we believe consolidate that reputation
