Skills

1. Character Analysis

A character is an individual in a literary work of fiction, drama, or narrative poetry. Every work of fiction or drama needs characters. Characters' thoughts, feelings, actions, and reactions drive the plot, or the events that take place in the story. The resolution is the final outcome of the story's conflict. Writers use several techniques to develop characters and reveal aspects of their personality including dialogue, or conversation, description, and plot events.

- **Character Traits**- the personality; consists of the qualities that make that character different from others, such as whether the character is honest or devious.
- **Protagonist**- the main character; the one the story revolves around
- **Antagonist**- opposes the protagonist
