Migration And Integration Japan In Comparative Perspective:

Migration and Integration Gabriele Vogt, Deutsches Institut für Japanstudien, Glenda Susan Roberts, 2011 Language, Education and Citizenship in Japan Genaro Castro-Vázquez, 2013 Based on extensive original research this book explores the early educational experiences of foreign children in Japan It considers foreign children's experiences of Japanese schools examines the special tutoring such children often have to improve their language proficiency and explores the role of mothers in encouraging their children's education It contrasts the experiences of foreign children with those of Japanese children and sets out the extensive difficulties foreign children encounter in becoming fully accepted by and integrated into Japanese society The book concludes by discussing the nature of citizenship in Japan and the importance of education including early education in shaping Japanese citizenship

Asian Migrations Tony Fielding, 2015-07-16 This textbook describes and explains the complex reality of contemporary internal and international migrations in East Asia Taking an interdisciplinary approach Tony Fielding combines theoretical debate and detailed empirical analysis to provide students with an understanding of the causes and consequences of the many types of contemporary migration flows in the region Key features of Asian Migrations Comprehensive coverage of all forms of migration including labour migration student migration marriage migration displacement and human trafficking Text boxes containing key concepts and theories More than 30 maps and diagrams Equal attention devoted to broad structures e.g. political economy and individual agency e.g. migration behaviours Emphasis on the conceptual and empirical connections between internal and international migrations Exploration of the policy implications of the trends and processes discussed Written by an experienced scholar and teacher of migration studies this is an essential text for courses on East Asian migrations and mobility and important reading for courses on international migration and Asian societies more generally

Japan in Decline Purnendra Jain, Brad Williams, 2011-03-21 To what extent is Japan in decline In recent years popular writings media commentaries and analysts often take the view that the rise of Japan is long since over and that the world's second largest economy is not just treading water but that society and the economy are failing with potential catastrophic outcomes But is this really the case Could it be that once again Japan is being misread and misinterpreted Are there not both obvious and less obvious signs of renewal and recovery And how might the new DPJ led government reform Japan Based on papers given at a major international conference held at the University of Adelaide in November 2009 this thesis is examined here by a group of the world's leading specialists in their fields addressing many of the key issues facing Japan today from the economy and environment to education social policy politics internationalization diplomacy security This volume will have wide ranging interdisciplinary relevance for students and specialists alike

Population Aging and International Health-Caregiver Migration to Japan Gabriele Vogt, 2017-09-18 This book introduces Japan's current policy initiatives directed at eldercare and international labor migration and wherever appropriate it adds a comparative perspective from Germany The book shows how eldercare is

currently being organized and discusses integration policies for foreigners It studies the policy making process behind the system and contextualizes the migration avenue within the strong roots of Japan s eldercare in local communities and the non preparedness of the nation to grant local citizenship to international newcomers Through applying an approach of multi level policy making putting a strong focus on the local level and introducing new approaches this book is of interest to policy makers and scholars in aging migration health care and contemporary Japan

Comparative Perspectives on Gender Equality in Japan and Norway Masako Ishii-Kuntz,Guro Korsnes Kristensen,Priscilla Ringrose,2021-11-28 This book compares perspectives on gender equality in Norway and Japan focusing on family education media and sexuality and reproduction as seen through a gendered lens What can we learn from a comparison between two countries that stand in significant contrast to each other with respect to gender equality Norway and Japan differ in terms of historical cultural and socioeconomic backgrounds Most importantly Japan lags far behind Norway when it comes to the World Economic Forum s Gender Gap Report Rather than taking a narrow approach that takes as its starting point the assumption that Norway has so much more to offer in terms of gender equality the authors attempt to show that a comparative perspective of two countries in the West and East can be mutually beneficial to both contexts in the advancement of gender equality The interdisciplinary team of researchers contributing to this book cover a range of contemporary topics in gender equality including fatherhood and masculinity teaching and learning in gender studies education cultural depictions of gender trans experiences and feminism This unique collection is suitable for researchers and students of gender studies sociology anthropology Japan studies and European studies

Immigration and Quality of Life in Ageing Societies Aeneas Zi Wang,Aimi Muranaka,Florian Coulmas,2024-08-16 This edited book argues that a new perspective on immigration is needed As many advanced economies are ageing and their populations stagnate or decline immigrants are increasingly required to fill in the gaps left behind by shrinking workforces Against this backdrop the outdated view that it is and can only be a privilege for immigrants to move temporarily from less to more developed economies needs a rethink In particular questions about how

attractive a host destination can be for immigrants not just in economic but also in social political linguistic and cultural terms should be raised Considering in detail the situation in Japan and Germany Japan where there are hardly any convenience stores without foreign employees Germany where retirement homes would no longer function without foreign nursing staff the book analyses migration to these two countries in different aspects such as education training and labour market participation and policies and actions on the part of the state and policymakers in rendering moving to and living in these countries worthwhile Bringing together leading scholars active in diverse aspects of migration in Japan and Germany this book will be a valuable resource to students and scholars with an interest in immigration issues in these two countries specifically and Europe and Asia more broadly Creating Social Cohesion in an Interdependent World Tetsuo Mizukami,2016-04-08 Creating Social Cohesion in an Interdependent World examines the ways in which two very different societies Australia and Japan have dealt with challenges to their cultural and institutional fabric as well as the social cohesion arising from the acceleration of global interdependence during recent decades Deepening globalization has generated great social dislocation and uncertainty about collective identity and to anxiety about how to accommodate apparently unstoppable external influences The studies in this volume explore areas which have experienced significant impact from globalization including immigration policy ethnic and racial intermarriage attitudes towards ethnic and racial minorities national and cultural identity education policy and labor relations The approach used is innovative in juxtaposing two societies which although developed are contrasting in their historical origins and contemporary cultural legacies **Asian Studies** ,2013
