Roblox Simulator Comparison New:

New Forms of Civic Resistance and Activism Tine Munk, Elliot Doornbos, Ian Mahoney, 2025-12-16 This interdisciplinary collection examines how contemporary movements are reshaping political social and environmental landscapes through both online and offline means including creative expression and grassroots mobilisation. This book analyses non violent activism political resistance mobilisation responses to hate and environmental activism. It brings together a wide range of academic perspectives with contributions from scholars and practitioners across the social sciences and humanities political science the natural sciences and environmental studies. By examining the synergy between online and offline actions it highlights how these actions are interconnected with online platforms and virtual spaces and in doing so it addresses the urgent need for compelling and legitimate civic resistance strategies in the modern world. It explores the intersection of digital platforms and real world action providing fresh insights into how activism is increasingly transcending geographical technological and conceptual boundaries. *New Forms of Civic Resistance and Activism* will appeal to scholars and students of criminology social and political science environmental studies media and communication studies cybercrime and cyber security. It will also interest activists policymakers practitioners and general readers who are curious about contemporary social movements. Central and Eastern European Histories and Heritages in Video Games Michał Mochocki, Paweł Schreiber, Jakub Majewski, Yaroslav I. Kot, 2024-10-17

This book explores the representations of Central and Eastern European histories in digital games. Focusing on games that examine a range of national histories and heritages from across Central and Eastern Europe the volume looks beyond the diversity of the local histories depicted in games and the audience reception of these histories to show a diversity of approaches which can be used in examining historical games from postcolonialism to identity politics to heritage studies. The book includes chapters on Serbia Poland Ukraine Russia Belarus Hungary Estonia Slovakia Czechia Finland and a Western guest with regional connections Luxembourg. Through the lens of video games the authors address how nations struggle with the legacies of war colonialism and religious strife that have been a part of nation building but also how victimized cultures can survive resist and sometimes prevail. Appealing primarily to scholars in the fields of game studies heritage studies postcolonial criticism and media studies this book will be particularly useful for the subfields of historical game studies and postcolonial game studies
