*JMP Essentials* Curt Hinrichs, Chuck Boiler, Susan Walsh, 2020-03-17 Grasp the essentials of JMP to generate rapid results *JMP Essentials An Illustrated Guide for New Users* Third Edition is designed for new or novice JMP users who need to generate meaningful analysis quickly. The book focuses on the most commonly used platforms and typical workflow of the user from data importing, exploring and visualizing to modeling and sharing results with others. Throughout the book, the authors emphasize results over theory, providing just the essential steps with corresponding screenshots. In most cases, each section completes a JMP task which maximizes the book's utility as a reference. This edition has new instructions and screenshots reflecting the features added to the latest release of JMP software, including updated sections on JMP Dashboard, Builder, Query Builder, the Fit Model platform, JMP Public and JMP Live, and a more detailed look at the JMP website. Each chapter contains a family of features that are carefully crafted to first introduce you to basic features and then move on to more advanced topics. *JMP Essentials An Illustrated Guide for New Users* Third Edition is the quickest and most accessible reference book available. Post Office Department, 1899 [Digital Photography Pocket Guide](#) Derrick Story, 2005 Even film diehards have a tough time resisting the instant gratification of the digital camera. Today's digital cameras are more affordable than ever before and they deliver high quality images that are a snap to share. Plus, you can take risks with a digital camera you never would with a film camera. You waste nothing, there's no film required and because you only print the pictures you need, digital photography is cost effective and environmentally friendly. But to take full advantage of a digital camera, you need to be an experienced photographer and an expert at digital photography, too. With more than 15 years of experience as a photojournalist, author Derrick Story brings you *Digital Photography Pocket Guide* 3rd Edition. For everyone who owns or will own a digital camera and that pretty much means everyone, this is the perfect on-the-go guide for taking top-notch digital photos. In this third edition of the bestselling pocket guide, Story expands on the basic photography techniques that he introduced in earlier editions, including an explanation of each camera component and what it does, tips for choosing just the right settings for your needs and much more. This indispensable guide

covers everything from how to shoot sports action close ups and night shots to dealing with image resolution archiving and memory cards Affordable and portable Digital Photography Pocket Guide 3rd Edition offers full color photographs screen shots and line art illustrating all the topics in the guide s three main sections Digital Camera Components Standard Camera Functions and How Do I Contents are labeled A to Z for quick reference There s also a comprehensive table of contents and index so you ll waste no time flipping to the specific information you need whether you want to transfer images make a QuickTime movie or just figure out what purpose that mystery setting on your camera serves There s even a section of easy to read reference tables for quick look up of white balance settings exposure compensation camera mode explanations and plenty more Post Office Guide Great Britain.
