Ticking Clock Ira Rosen, 2021-02-16 Two time Peabody Award winning writer and producer Ira Rosen reveals the intimate untold stories of his decades at America's most iconic news show. It's a 60 Minutes story on 60 Minutes itself. When producer Ira Rosen walked into the 60 Minutes offices in June 1980, he knew he was about to enter television history. His career catapulted him to the heights of TV journalism, breaking some of the most important stories in TV news. But behind the scenes was a war room of clashing producers, anchors, and the most formidable 60 Minutes figure, legendary correspondent Mike Wallace. Based on decades of access and experience, Ira Rosen takes readers behind closed doors to offer an incisive look at the show that invented TV investigative journalism. With surprising humor, charm, and an eye for colorful detail, Rosen delivers an authoritative account of the unforgettable personalities that battled for prestige, credit, and the desire to scoop everyone else in the game. As one of Mike Wallace's top producers, Rosen reveals the interview secrets that made Wallace's work legendary and the flaring temper that made him infamous. Later, as senior producer of ABC News Primetime Live and 20/20, Rosen exposes the competitive environment among famous colleagues like Diane Sawyer and Barbara Walters and the power plays between correspondents Chris Wallace, Anderson Cooper, and Chris Cuomo. A master class in how TV news is made, Rosen shows readers how 60 Minutes puts together a story when sources are explosive, unreliable, and even dangerous. From unearthing shocking revelations from inside the Trump White House to an outrageous proposition from Ghislaine Maxwell to interviewing gangsters Joe Bonanno and John Gotti Jr., Ira Rosen was behind the scenes of some of 60 Minutes' most sensational stories. Highly entertaining, dishy, and unforgettable, *Ticking Clock* is a never-before-told account of the most successful news show in American history.

Emmy Award Winning Nighttime Television Shows, 1948-2004 Wesley Hyatt, 2006-03-07 Since the early days of television, well before most households had a set, the Academy of Television Arts and Sciences has been handing out honors for the industry's best efforts. Now fans can read about their favorites and perhaps rediscover some forgotten pleasures in this reference to prime time and nighttime Emmy winners. Beginning with the heated charade contest known as Pantomime Quiz, which won Most Popular Program of 1948 in the first Emmy Awards ceremony held in 1949, each of more than 100 winning shows gets star treatment with an entry that includes the year of award, or awards, air times, hosts, guests, casts, and a full discussion of the show's history and run. Many of the entries include original interviews with cast or crew members. With such rich information, each show's entry constitutes a chapter in the history of television through the story of the show and the people who made it happen. The best of variety, drama, game shows, comedies, adventures, and many more categories are featured. An appendix offers interesting facts and figures and ranks shows according to such statistics as longest run, longest delay from debut to win, and most Emmys won.
