**Successful Business Model Transformations in Disruptive Times** Thomas Rudolph, Markus Schweizer, 2024-06-17

The authors offer solutions for established corporations facing disruptive challenges. Based on extensive research and discussion, a unique management approach—the High 5 approach—has been developed to promote successful self-disruption in established corporations. At the center of this approach is the transformation of the core business. The book supports the idea of permanent self-disruption as the key to success for established players. *Successful Business Model Transformations in Disruptive Times* is aimed at the management of various industries. This book provides managers in established corporations with a theoretically sound and practical guide.

Introduction to E-discovery Ralph C. Losey, 2009. No one can operate effectively in the court rooms of tomorrow without a good understanding of where's, how's, and why's of digital evidence. As a cover-to-cover read, learn more about the hot topics and latest case law in e-discovery. This book can provide that understanding. After a read-through, this book can be used again and again as a reference, with its appendix of useful reference materials to look up cases and arguments to use in daily practice. It's written in an easy-to-read style, making it perfect for anyone interested in e-discovery.
